Papermint

LES COLLINES

The "Les Collines" wall panel by PaperMint features a serene landscape of rolling hills, rendered in soft, gradient tones. This design brings a sense of calm and natural beauty to any space, making it an excellent choice for an Airbnb children's area. The gentle imagery fosters a soothing atmosphere, appealing to both children and parents, and enhancing the overall guest experience.

Papermint

PROVENCE

The PaperMint "Provence" mural captures the essence of the serene Tuscan landscape, featuring rolling hills adorned with cypress and pine trees in harmonious shades of green and beige. This design brings a tranquil and picturesque ambiance to any space, making it an excellent choice for enhancing the aesthetic appeal of your Airbnb property. By incorporating this mural, you can create a calming environment that offers guests a visual escape to the Italian countryside, potentially increasing the attractiveness of your listing to travelers seeking a unique and restful experience.

Rebel Walls

RABBIT TOWN, AUTUMN

The "Rabbit Town, Autumn" wallpaper by Rebel Walls features a charming scene of rabbits amidst an autumnal landscape. This design brings warmth and whimsy to any space, making it an excellent choice for an Airbnb children's area. The playful imagery can captivate young guests, creating a memorable and inviting atmosphere that appeals to both children and parents. Incorporating this wallpaper can enhance the room's aesthetic, offering a unique and delightful experience for families.

Parato

SAVANA I | MINIME

The "Savanna I" wallpaper by Parato showcases a lively scene of giraffes, elephants, butterflies, and lemurs set against a lush, leafy backdrop. This design brings the vibrancy of the savanna indoors, creating an engaging and adventurous atmosphere. Incorporating this wallpaper into an Airbnb children's space can spark curiosity and imagination, offering young guests an immersive experience that transports them to the heart of the wild. Its playful yet sophisticated aesthetic appeals to both children and parents, enhancing the room's appeal and making it a memorable part of their stay.

Rebel Walls

GEOMETRY PASTEL

The "Geometry, Pastel" mural by Rebel Walls features geometric shapes in bright pastel colors, creating an airy and uplifting backdrop. This design can enhance an Airbnb children's space by providing a vibrant and stimulating environment that appeals to both kids and parents.

Rasch

557480 | STORIES

The Rasch Stories 557480 mural, designed by Studio Onszelf, brings the enchanting tale of Little Red Riding Hood to life. This digital print mural measures 2.8 meters in height and 2 meters in width, divided into four easy-to-install strips. The design features a whimsical forest scene with Little Red Riding Hood and the fox, rendered in a palette of beige, cream, green, brown, red, and white. Crafted from high-quality non-woven material, the mural is washable, flame-retardant, and offers good light fastness. Its free match pattern ensures a seamless look on your wall. Ideal for children's rooms, this mural transforms any space into a storytelling haven, sparking imagination and adventure.

Isidore Leroy

FORET

Take a walk through the colourful landscapes of the Cap Ferret coastline created with watercolours by Marion Bartherotte. This panoramic "Forest" décor will bring freshness to your home and make you feel the benefits of sunny summer days all year round! The colours have been delicately worked and adapted for the wall decoration.

Isidore Leroy

PARADIS DES TIGERS

What if you could walk in an exotic garden populated by peaceful felines? Far from the zoos, meet them in their natural environment, their paradise. In this dream world you are invited to melt with them in the lush vegetation. Don't be afraid, come closer, caress them, they are adorable!

Marburg

Isidore Leroy

LES VEGABONES

The "Les Vagabondes" mural by Isidore Leroy is a captivating panoramic wallpaper designed by artist Véronique Masurel. Inspired by nature, gardens, and travels, Masurel's work often explores new materials and techniques, resulting in designs that are both figurative and abstract. "Les Vagabondes" depicts wild plants flourishing spontaneously in abandoned spaces, bringing the untamed beauty of nature into your interior. This mural is customizable to fit various spaces and is crafted from high-quality non-woven material, ensuring durability and ease of installation. Incorporating "Les Vagabondes" into your decor adds a touch of natural elegance and artistic flair, transforming any room into a serene retreat.

Rebel Walls

HIDEAWAY

The "Hideaway" mural by Rebel Walls is a hand-drawn design featuring a serene glade in soft colors, creating a tranquil atmosphere reminiscent of a peaceful retreat. Its calming palette and nature-inspired imagery make it an excellent choice for enhancing the ambiance of Airbnb interiors, offering guests a soothing and inviting environment. Additionally, the gentle design is well-suited for children's spaces, fostering a sense of calm and comfort. The mural is available in various sizes and is crafted from high-quality, non-woven materials, ensuring durability and easy maintenance. Installation is straightforward with the paste-the-wall method, making it a convenient option for transforming your space.

Papermint

THE ICE FLOE

The "The Ice Floe" mural by PaperMint brings the serene beauty of Arctic landscapes into your space. Featuring gentle hues and minimalist design, it creates a calming atmosphere reminiscent of floating ice floes. This mural is an excellent choice for an Airbnb children's area, offering a unique and tranquil backdrop that can spark curiosity about nature and distant places. Its soothing visuals can help create a peaceful environment, enhancing the overall guest experience for families.

Honpo
