CLAIM YOUR SPACE

The quality of being strange or peculiar.

ODDITY

Oddity is the quality of being strange or peculiar. Eccentric, yes, but in a modern maverick way. This timely collection, gathering inspiration from around the world, is about traveling within and embracing the world's hidden gems inside your home.

We think the Grand Tour can be just as exciting starting in your front room. It's also the start of a new journey for Rebel Walls. This is our first-ever collection of wallpaper on rolls, rather than our bespoke murals. We wanted to give you as much choice as possible, with bold colors and quirky patterns you won't find anywhere else – to make your home as unique as you are.

But just because we have launched a traditional wallpaper range, with rolls rather than customized murals, doesn't mean we have gone boring. We continue to be daring and challenge the wallpaper industry.

With this collection, you can dress your walls in your unique – or even odd – style and let your inner rebel shine through.

SOHO, SLATE page 56

CORK, GRAPHITE page 61

AQUILA, TEAL page 66

SAINT SEBASTIAN, PISTACHIO page 70

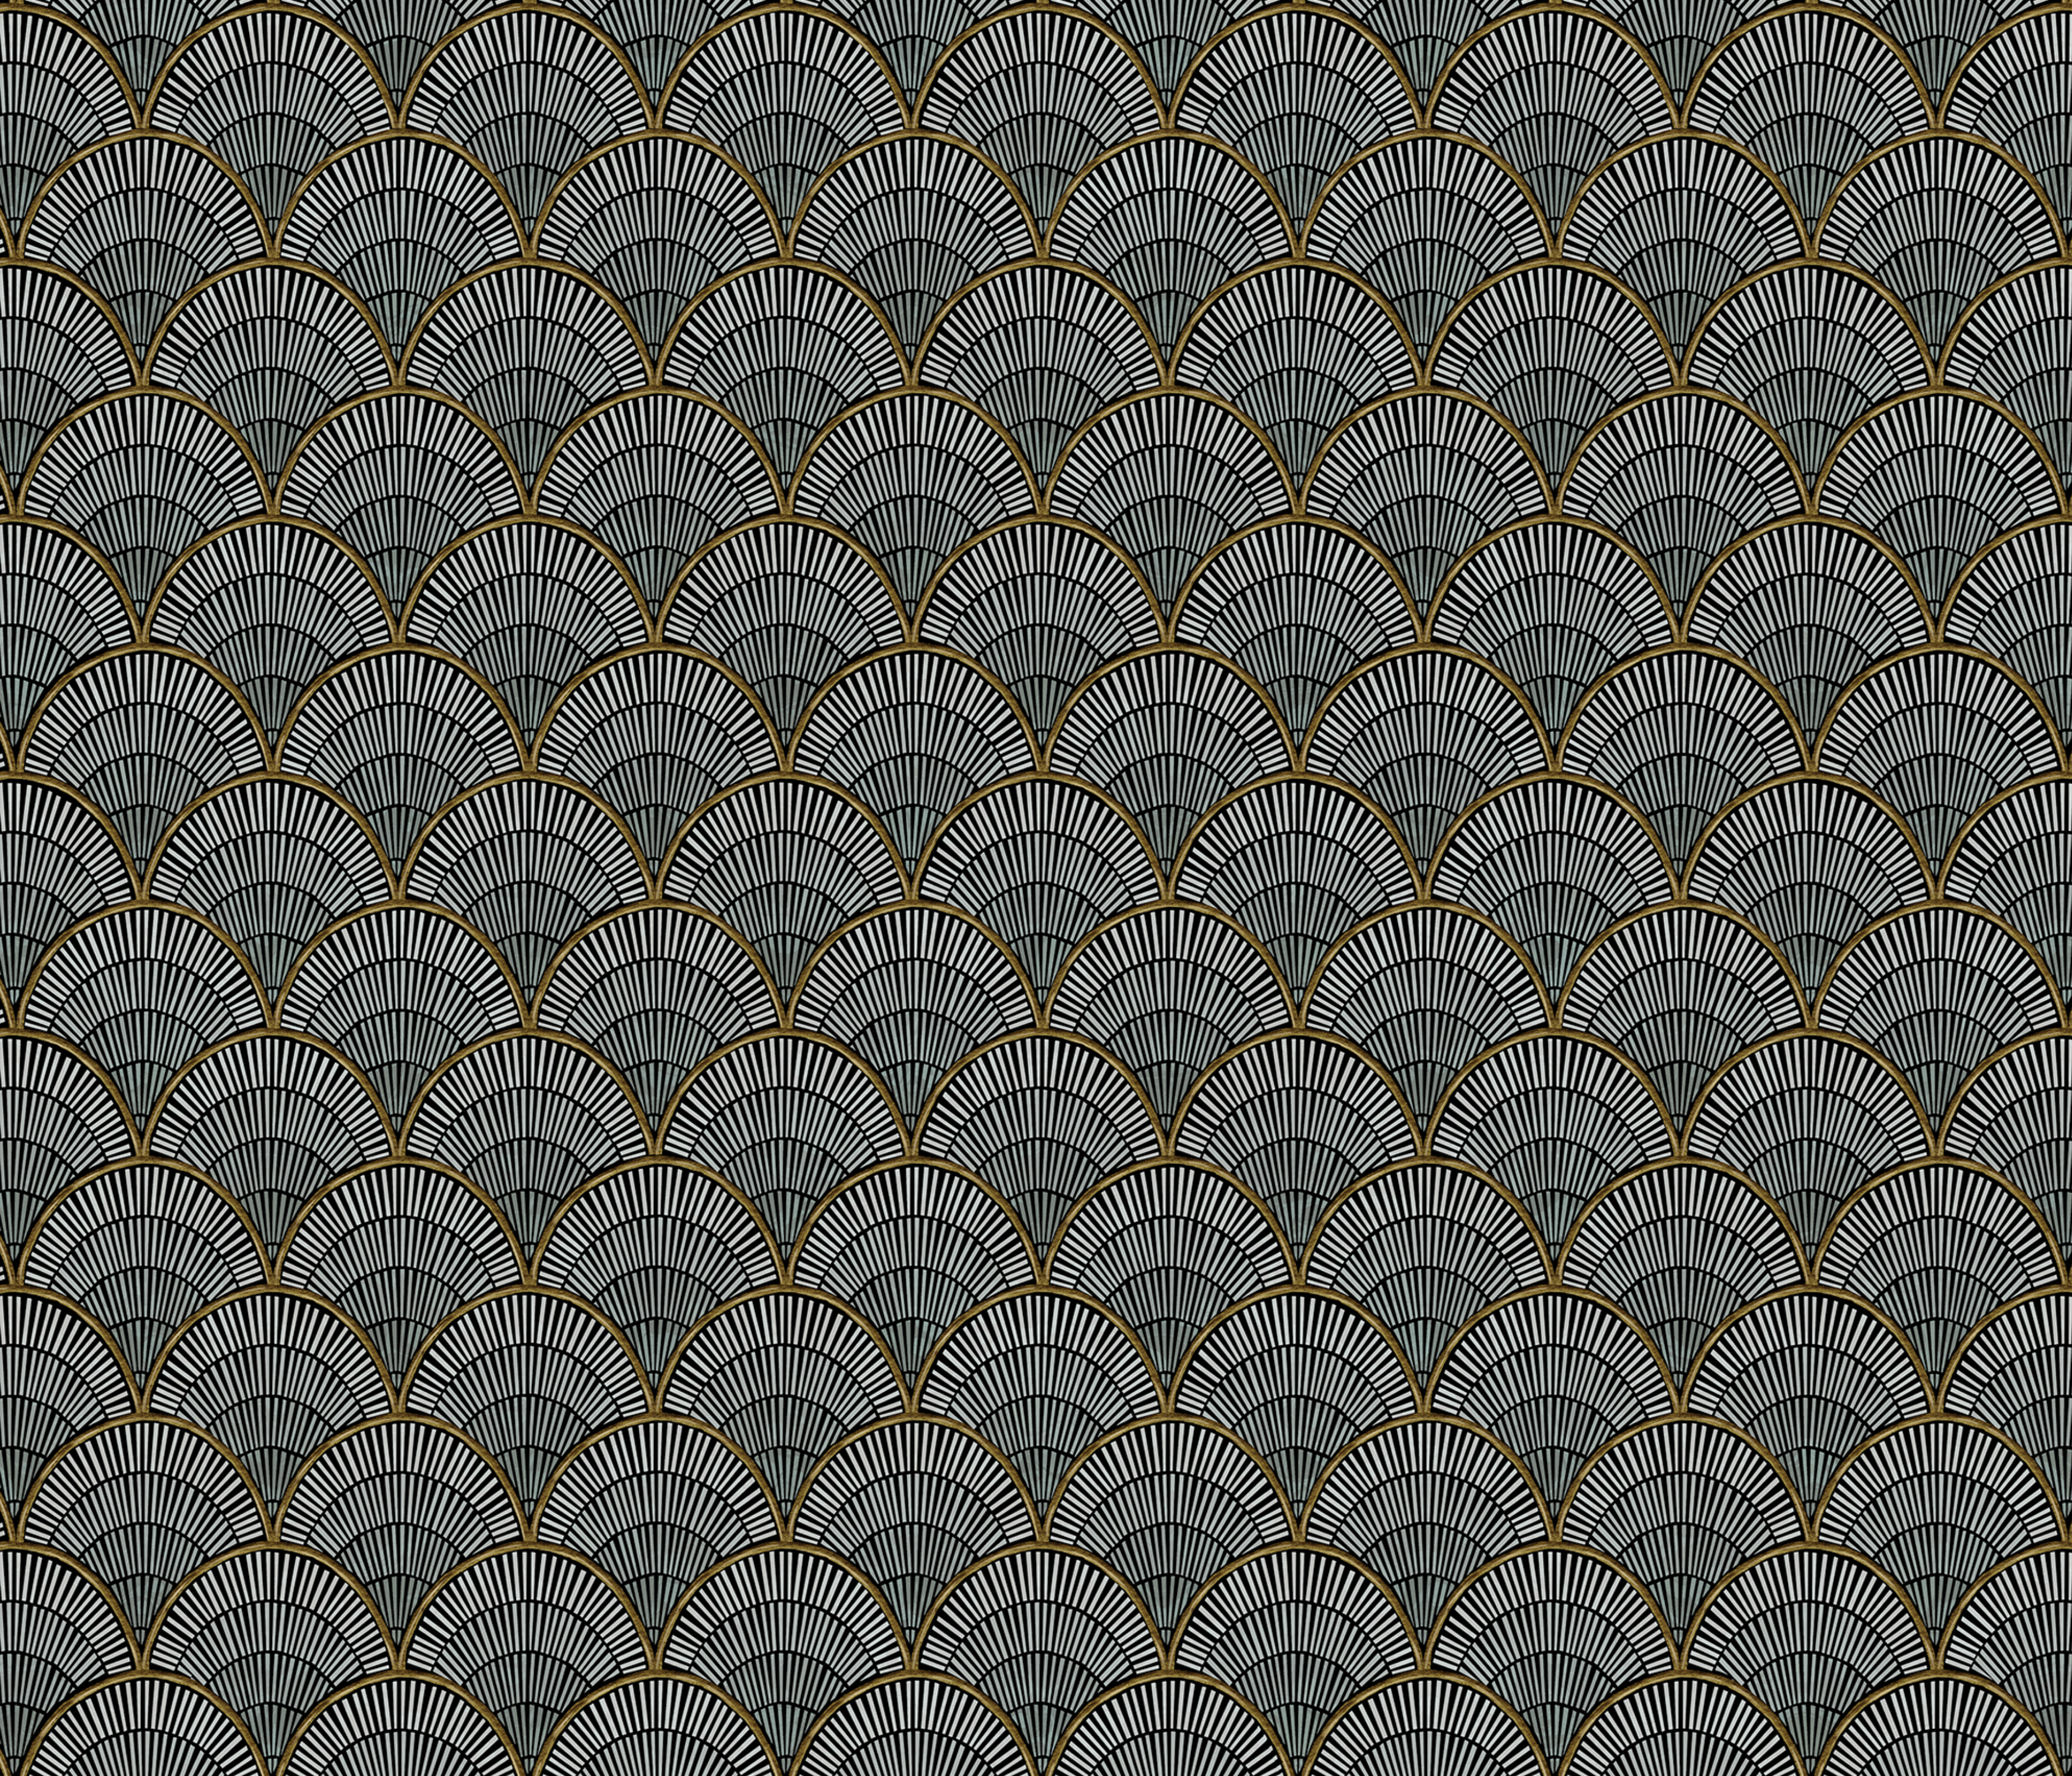

TOLEDO, PEARL

The pattern is hand-painted with plenty of details, and the four colors are picked to fit well with current decorating trends.

MARMARIS, CLOUD

Inspired by the tile-covered walls of a Turkish hamam, this pattern gives time for reflection and meditation.

PALM SPRING, TEAL

Sparkling swimming pools, oversized sunnies and swaying palm leaves – in Palm Springs it's all about keeping cool and staying glam.

PALM SPRING, PEARL

Sparkling swimming pools, oversized sunnies and swaying palm leaves – in Palm Springs it's all about keeping cool and staying glam.

MADAGASCAR, PEARL

Nothing is quite what it seems in the mythical jungles of Madagascar, home to the chameleon.

MADAGASCAR, TEAL

Nothing is quite what it seems in the mythical jungles of Madagascar, home to the chameleon.

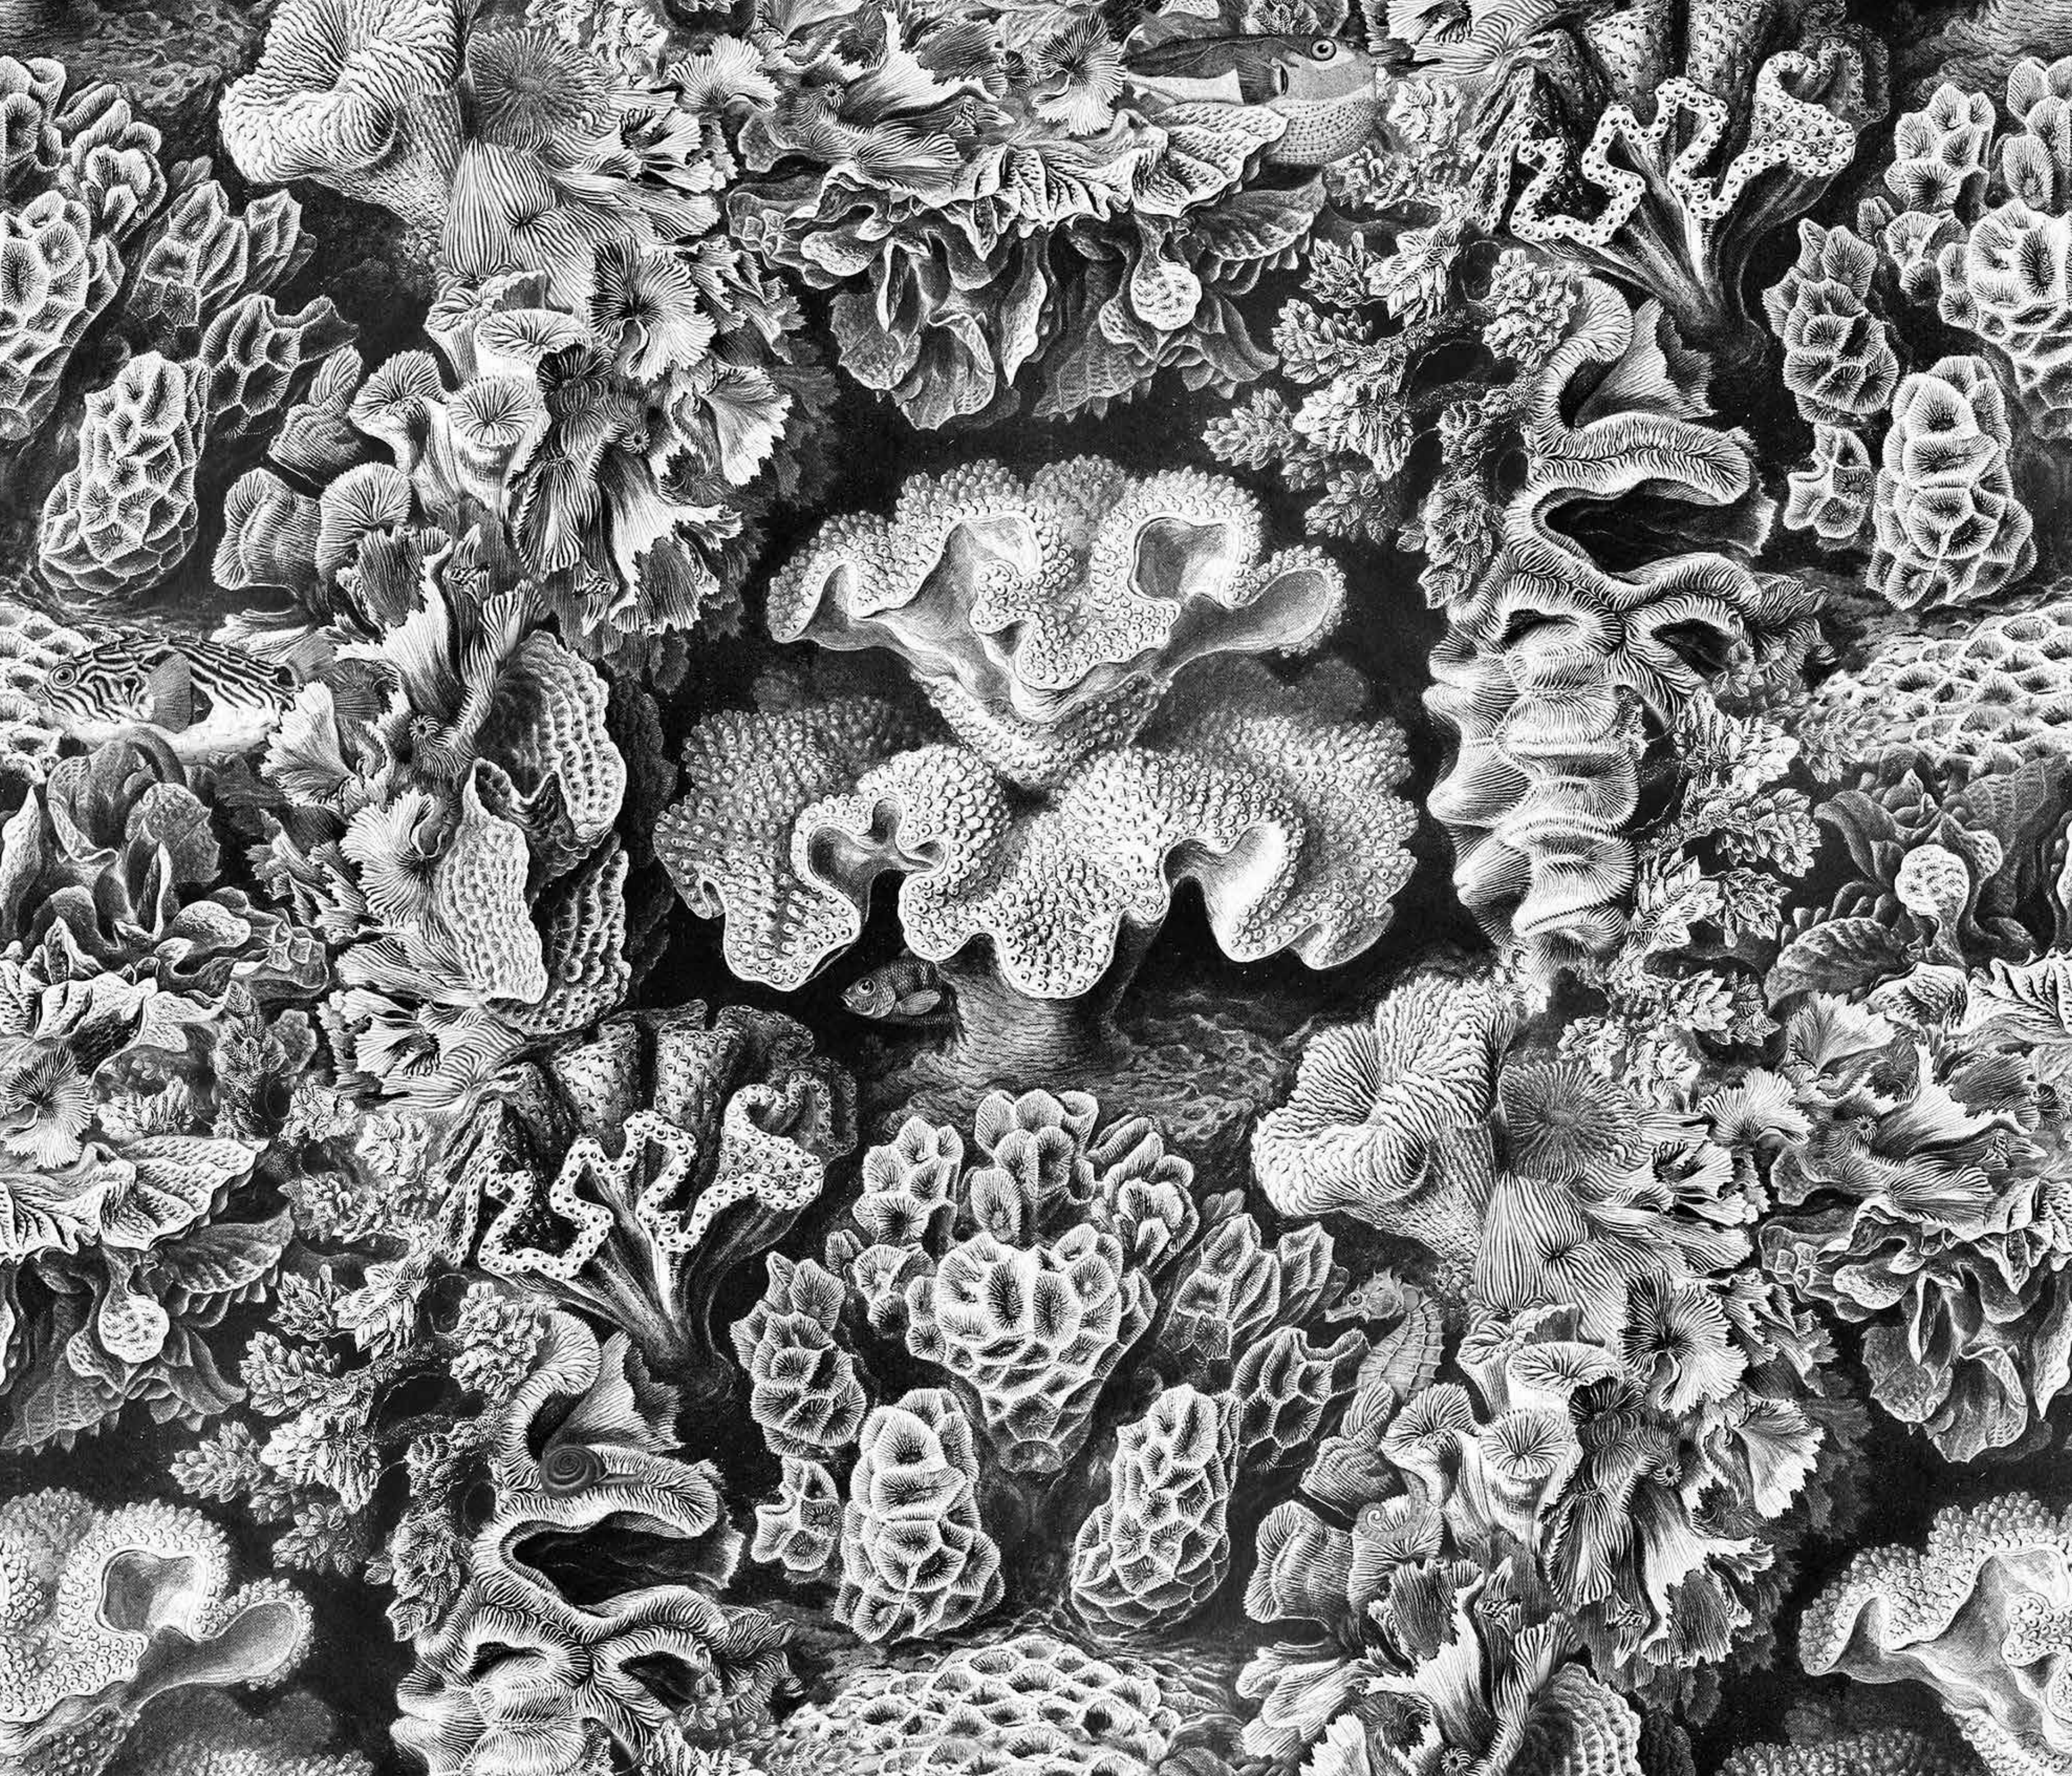

AQUILA, RUST

Dive deep to the reef and explore the worlds beneath the surface.

AQUILA, CLOUD

Dive deep to the reef and explore the worlds beneath the surface.

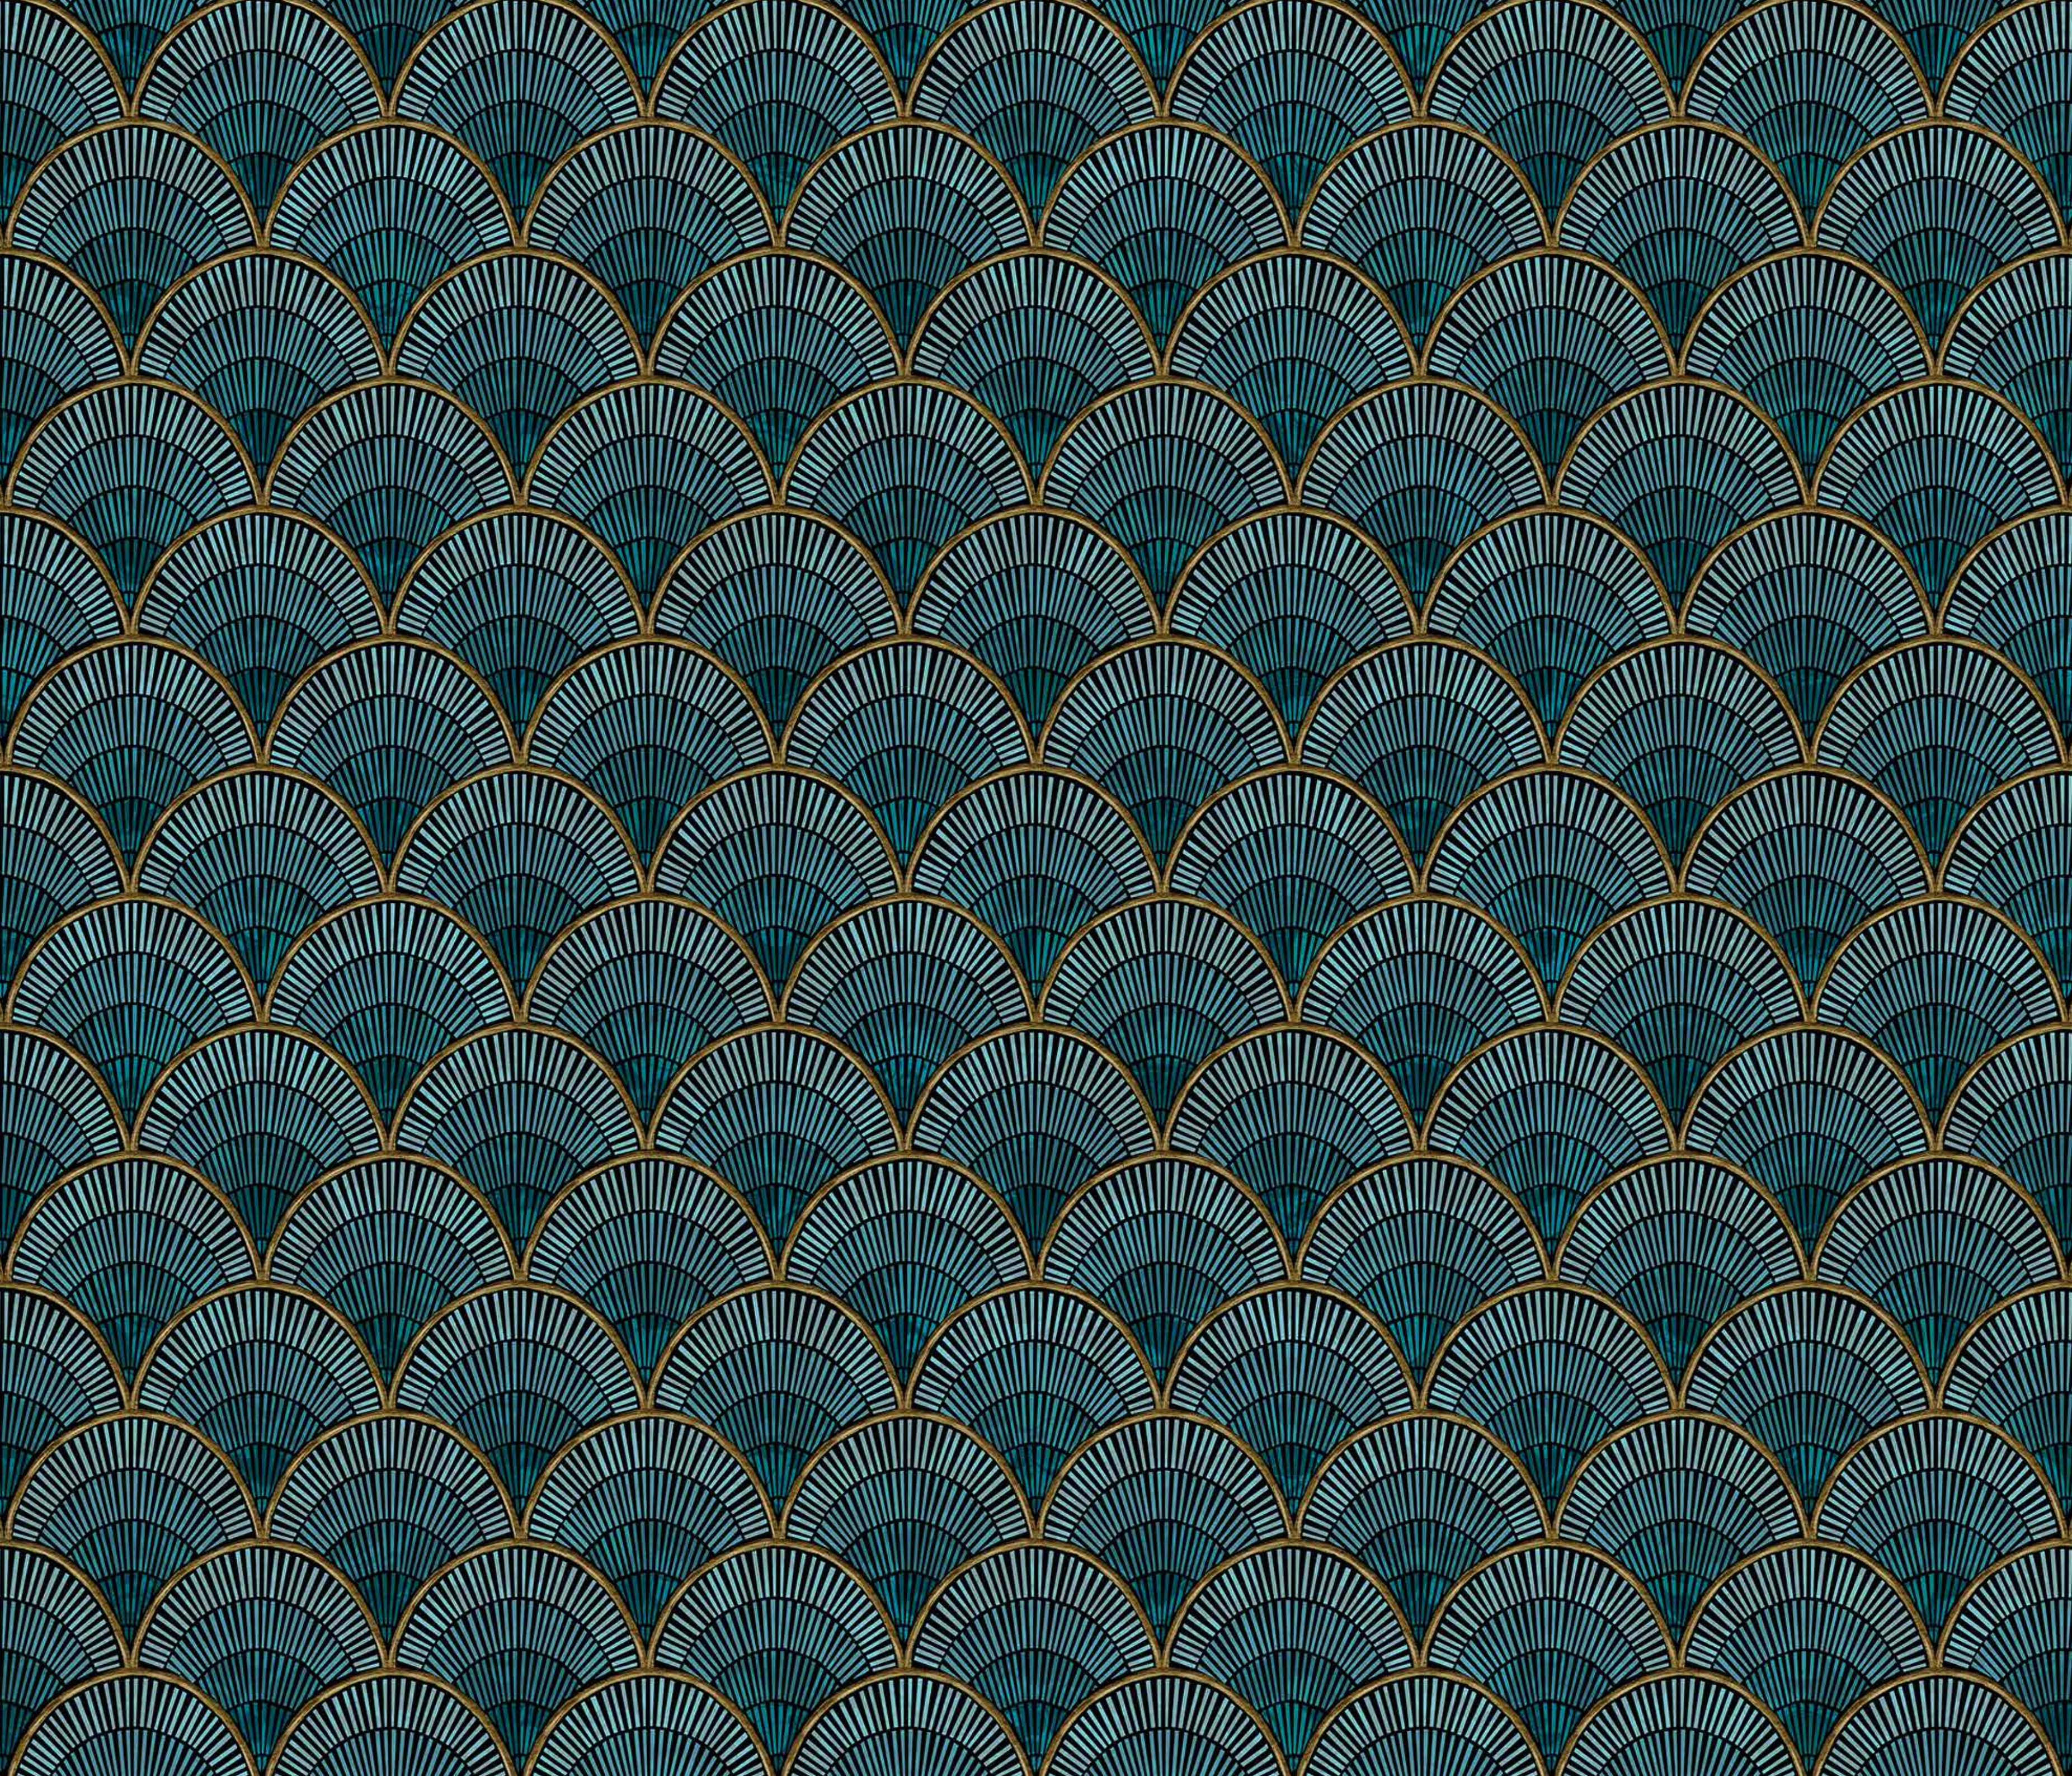

ARLON, TEAL

A straightlaced stripe gives structure to the lush mish-mash of flowers and animals here.

MARMARIS, PEACOCK

Inspired by the tile-covered walls of a Turkish hamam, this pattern gives time for reflection and meditation.

CORNWALL, EMERALD

A window to another world, where you can snuggle up and watch the raindrops slowly drizzle over the English landscape.

SOHO, FERN

Soho in London has always been on the wild side, from royal hunting grounds to a playground for modern bohemians and revellers.

CAMEROON, FERN

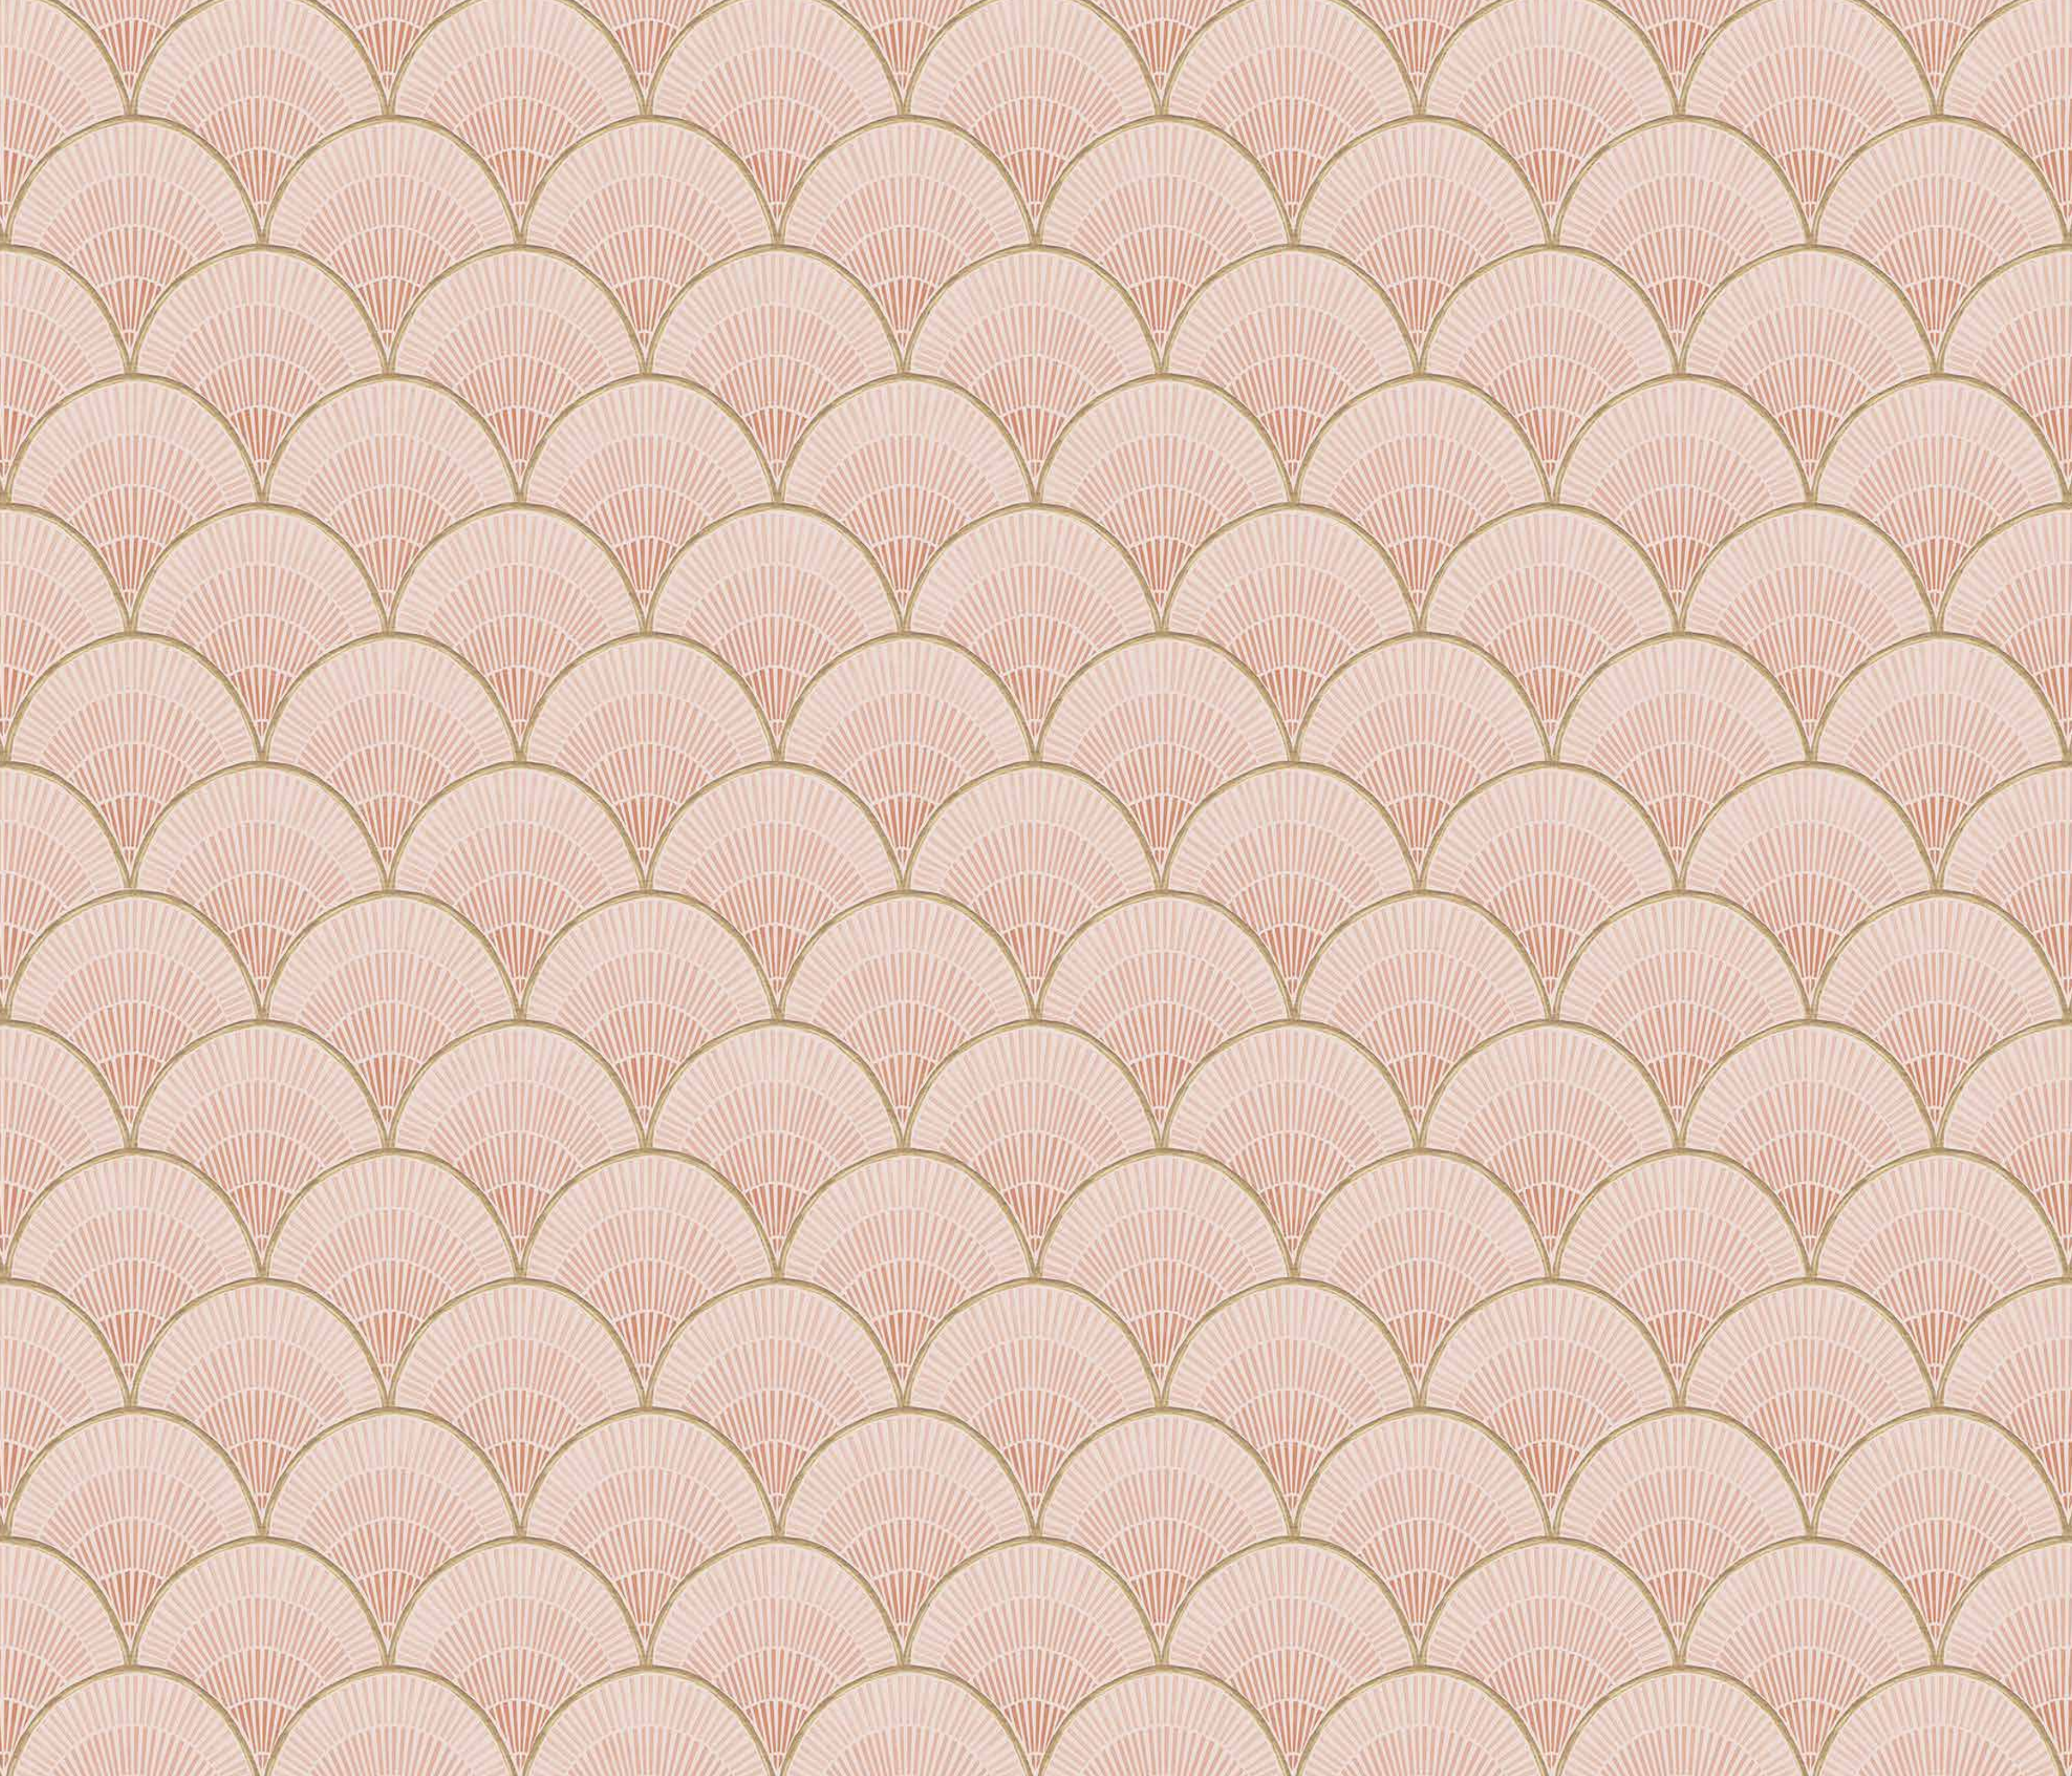

Traveling in your mind was the aim of this wallpaper, which pulsates with verdant life and lush leaves.

AMAZON, FERN

Want to explore the teeming life of the rainforest – without leaving your front room?

MARMARIS, CORAL

The classic shapes are drawn by hand and sit just as well in a modern room as in a more classic environment – all according to your personal preference.

TOLEDO, LEMONADE

Climbing villages on lush hills take us to Toledo, the majestic town in central Spain.

CARNABY, FERN

Next door to Soho is Carnaby Street, where creative souls hang out with cosmopolitan merry-makers.

FURADA, SAGE

A paradise untouched by humans. Our wallpaper Furada is inspired by a historic place in Brazil.

ARLON, GREEN

This is a wallpaper for those who dare, but the stripes do hold the pattern together and enable you to use the paper in a whole room.

SAINT SEBASTIAN, PISTACHIO

Extravagant tree crowns adorn this toile that comes in a linen texture and four easy-to-match colors.

JARDIN, RED VELVET

The brushstrokes of the pattern were originally performed in oil on canvas, with a stunning effect on the wallpaper that gives your boudoir a romantic feel.

TOLEDO, JUNIPER

The pattern is hand-painted with plenty of details, and the three colors are picked to fit well with current decorating trends.

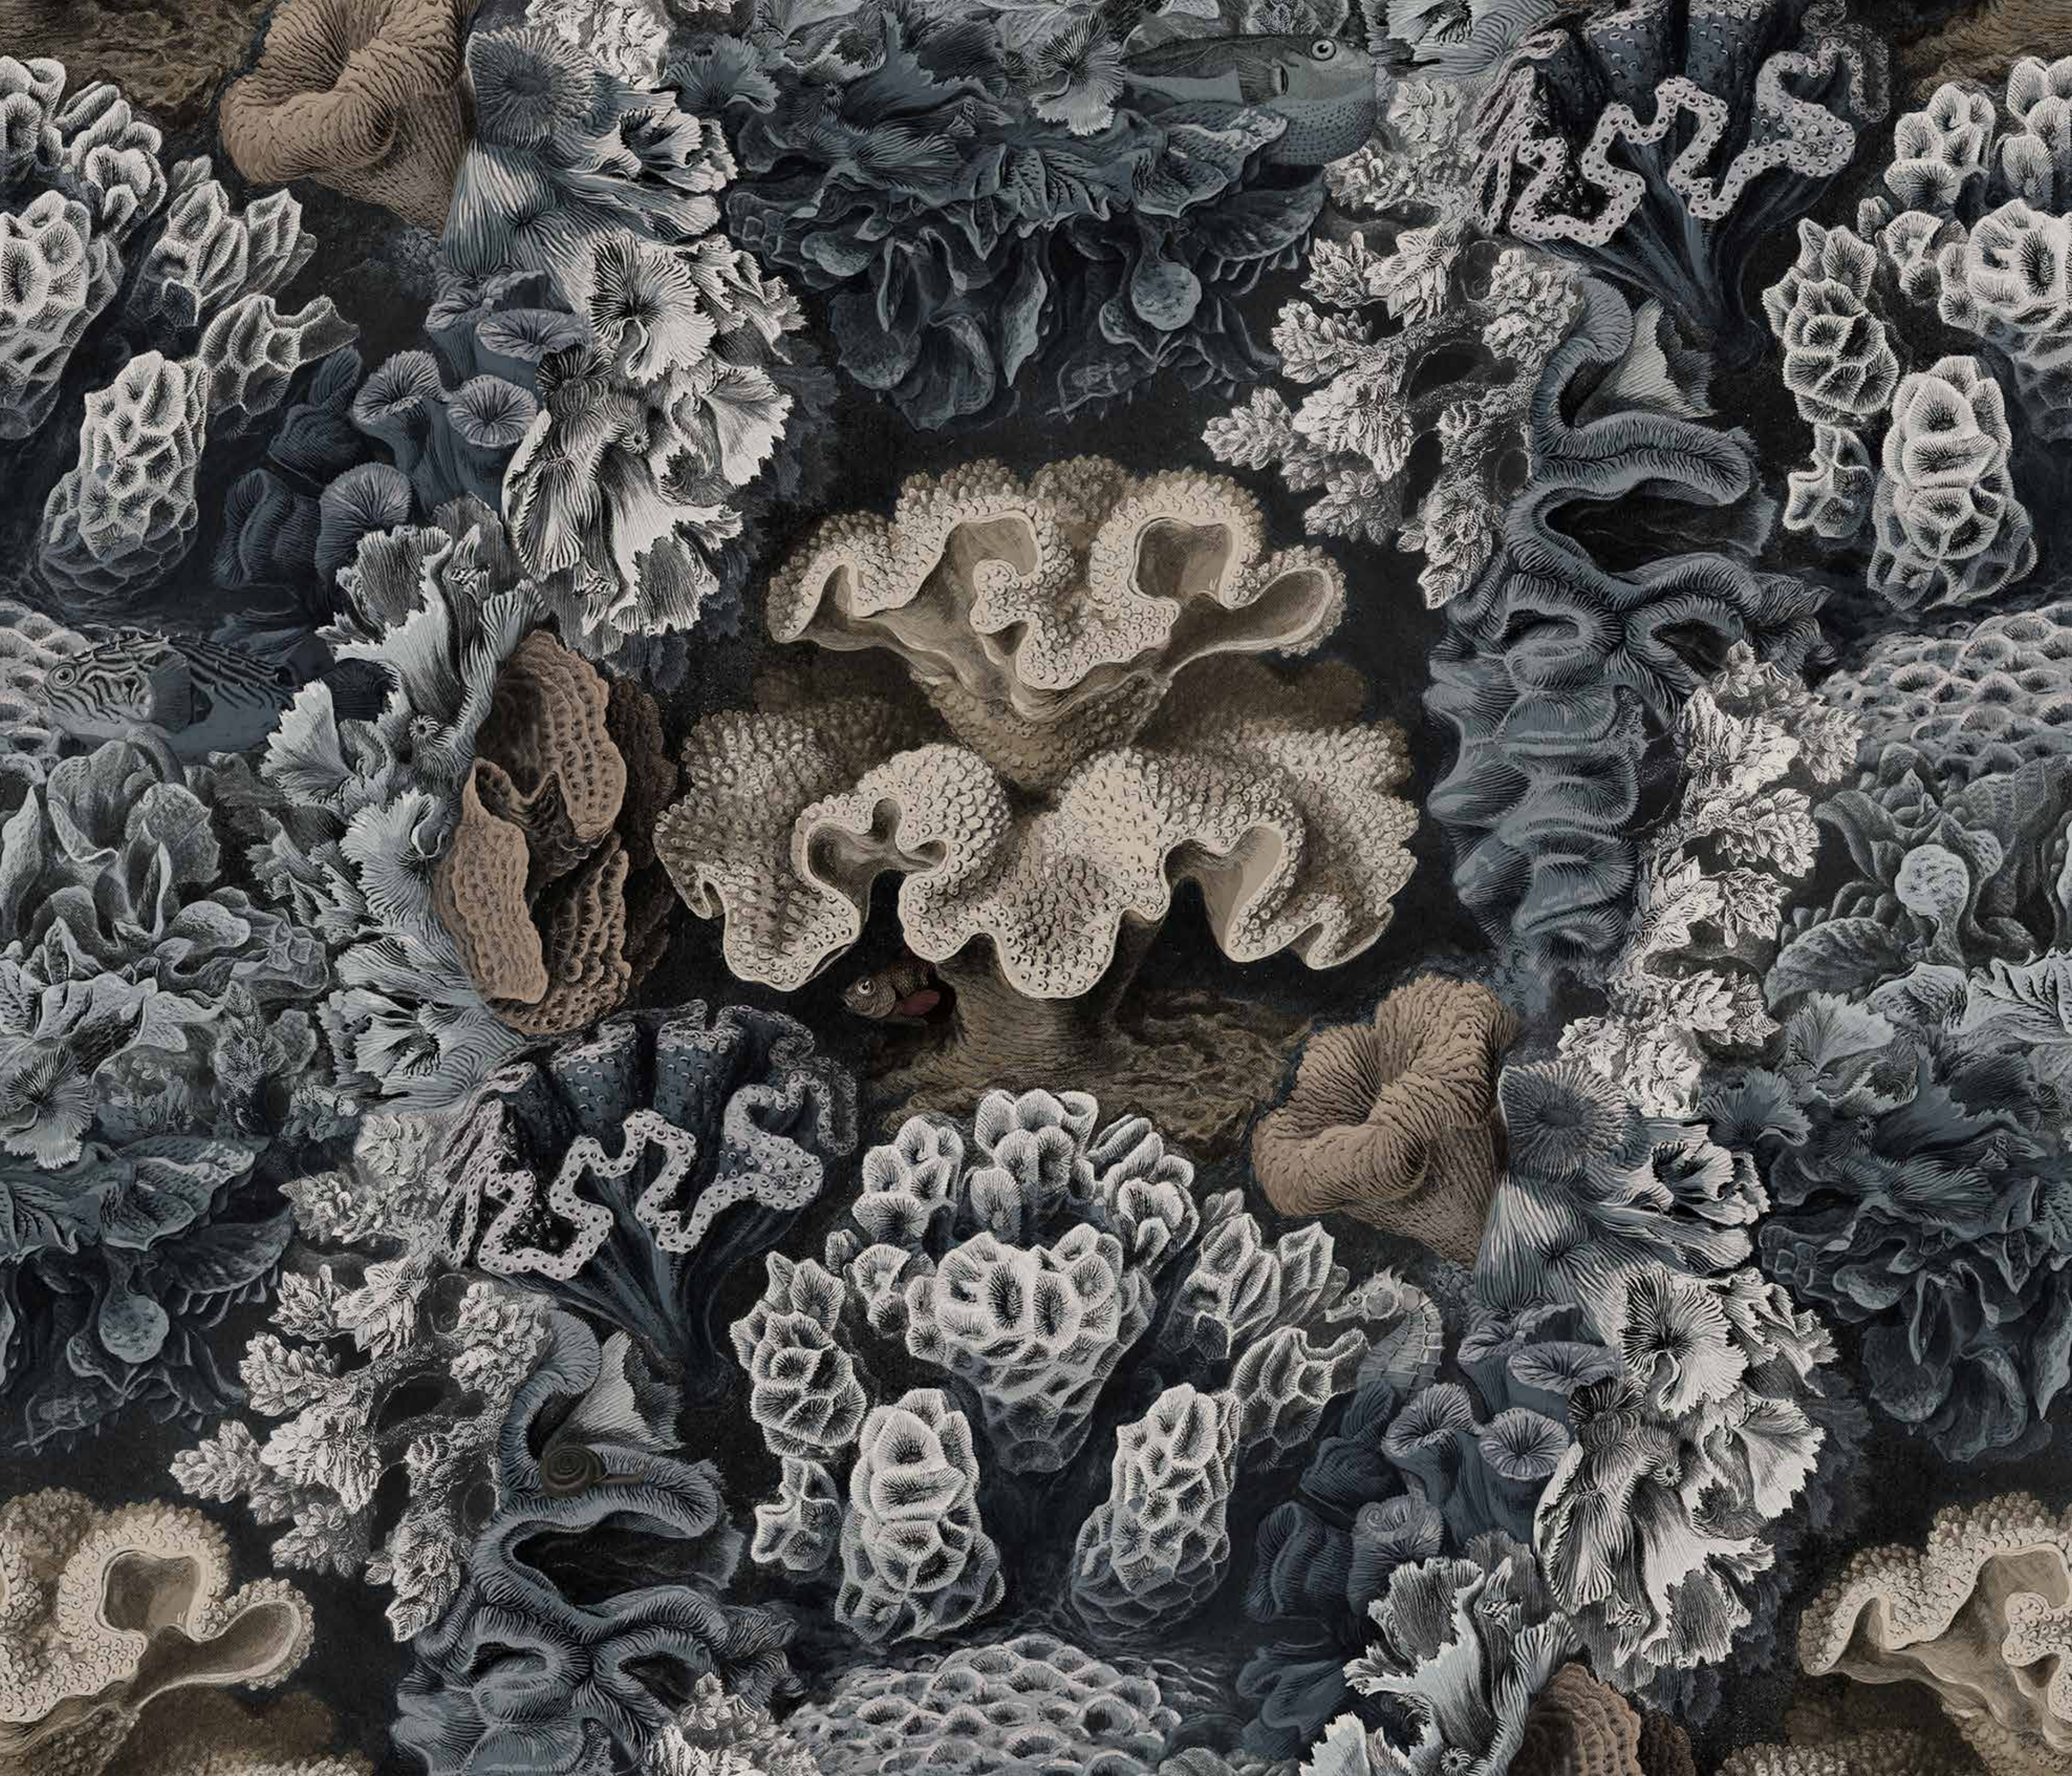

FURADA, TEAL

A paradise untouched by humans is what we find in the Furada wallpaper, inspired by a historic place in Brazil.

AQUILA, TEAL

Corals, shells and marine life create intricate patterns that can look complicated, but the wallpaper is easy to hang and fit.

SOHO, SLATE

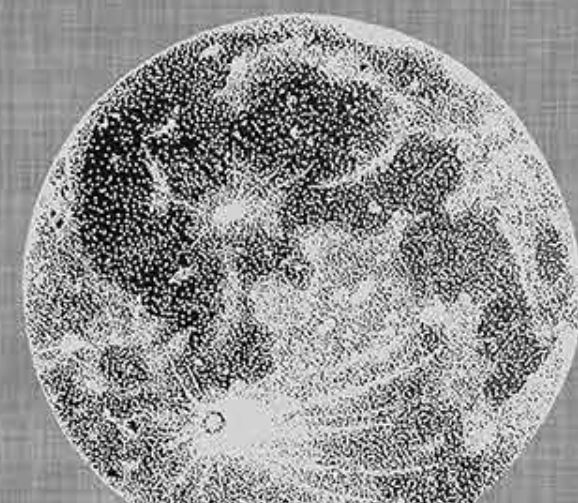

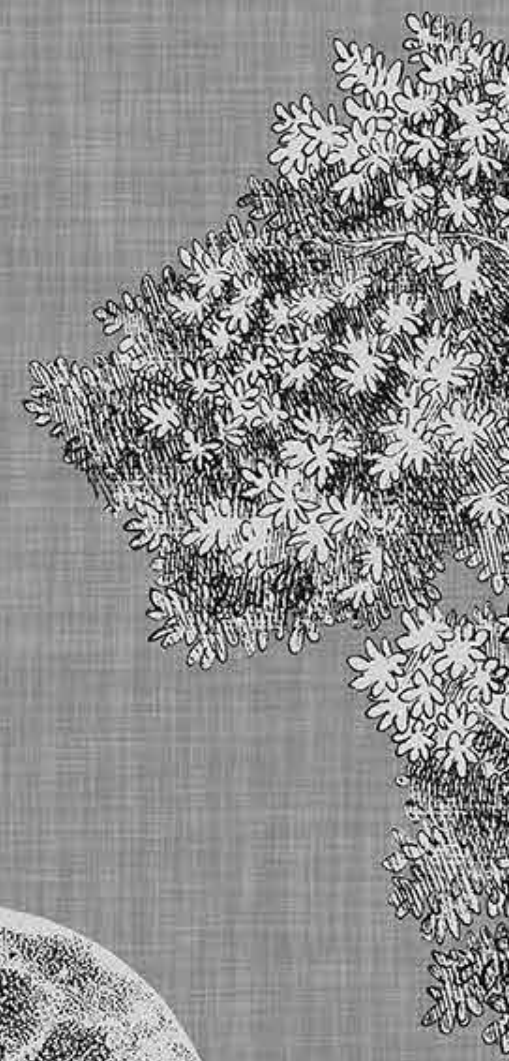

This is a true statement wallpaper – it's daring, bold and beautiful. The pattern comes from a vintage block-print paper, which has been scanned and colored in.

CARNABY, SLATE

Next door to Soho is Carnaby Street, where creative souls hang out with cosmopolitan merry-makers.

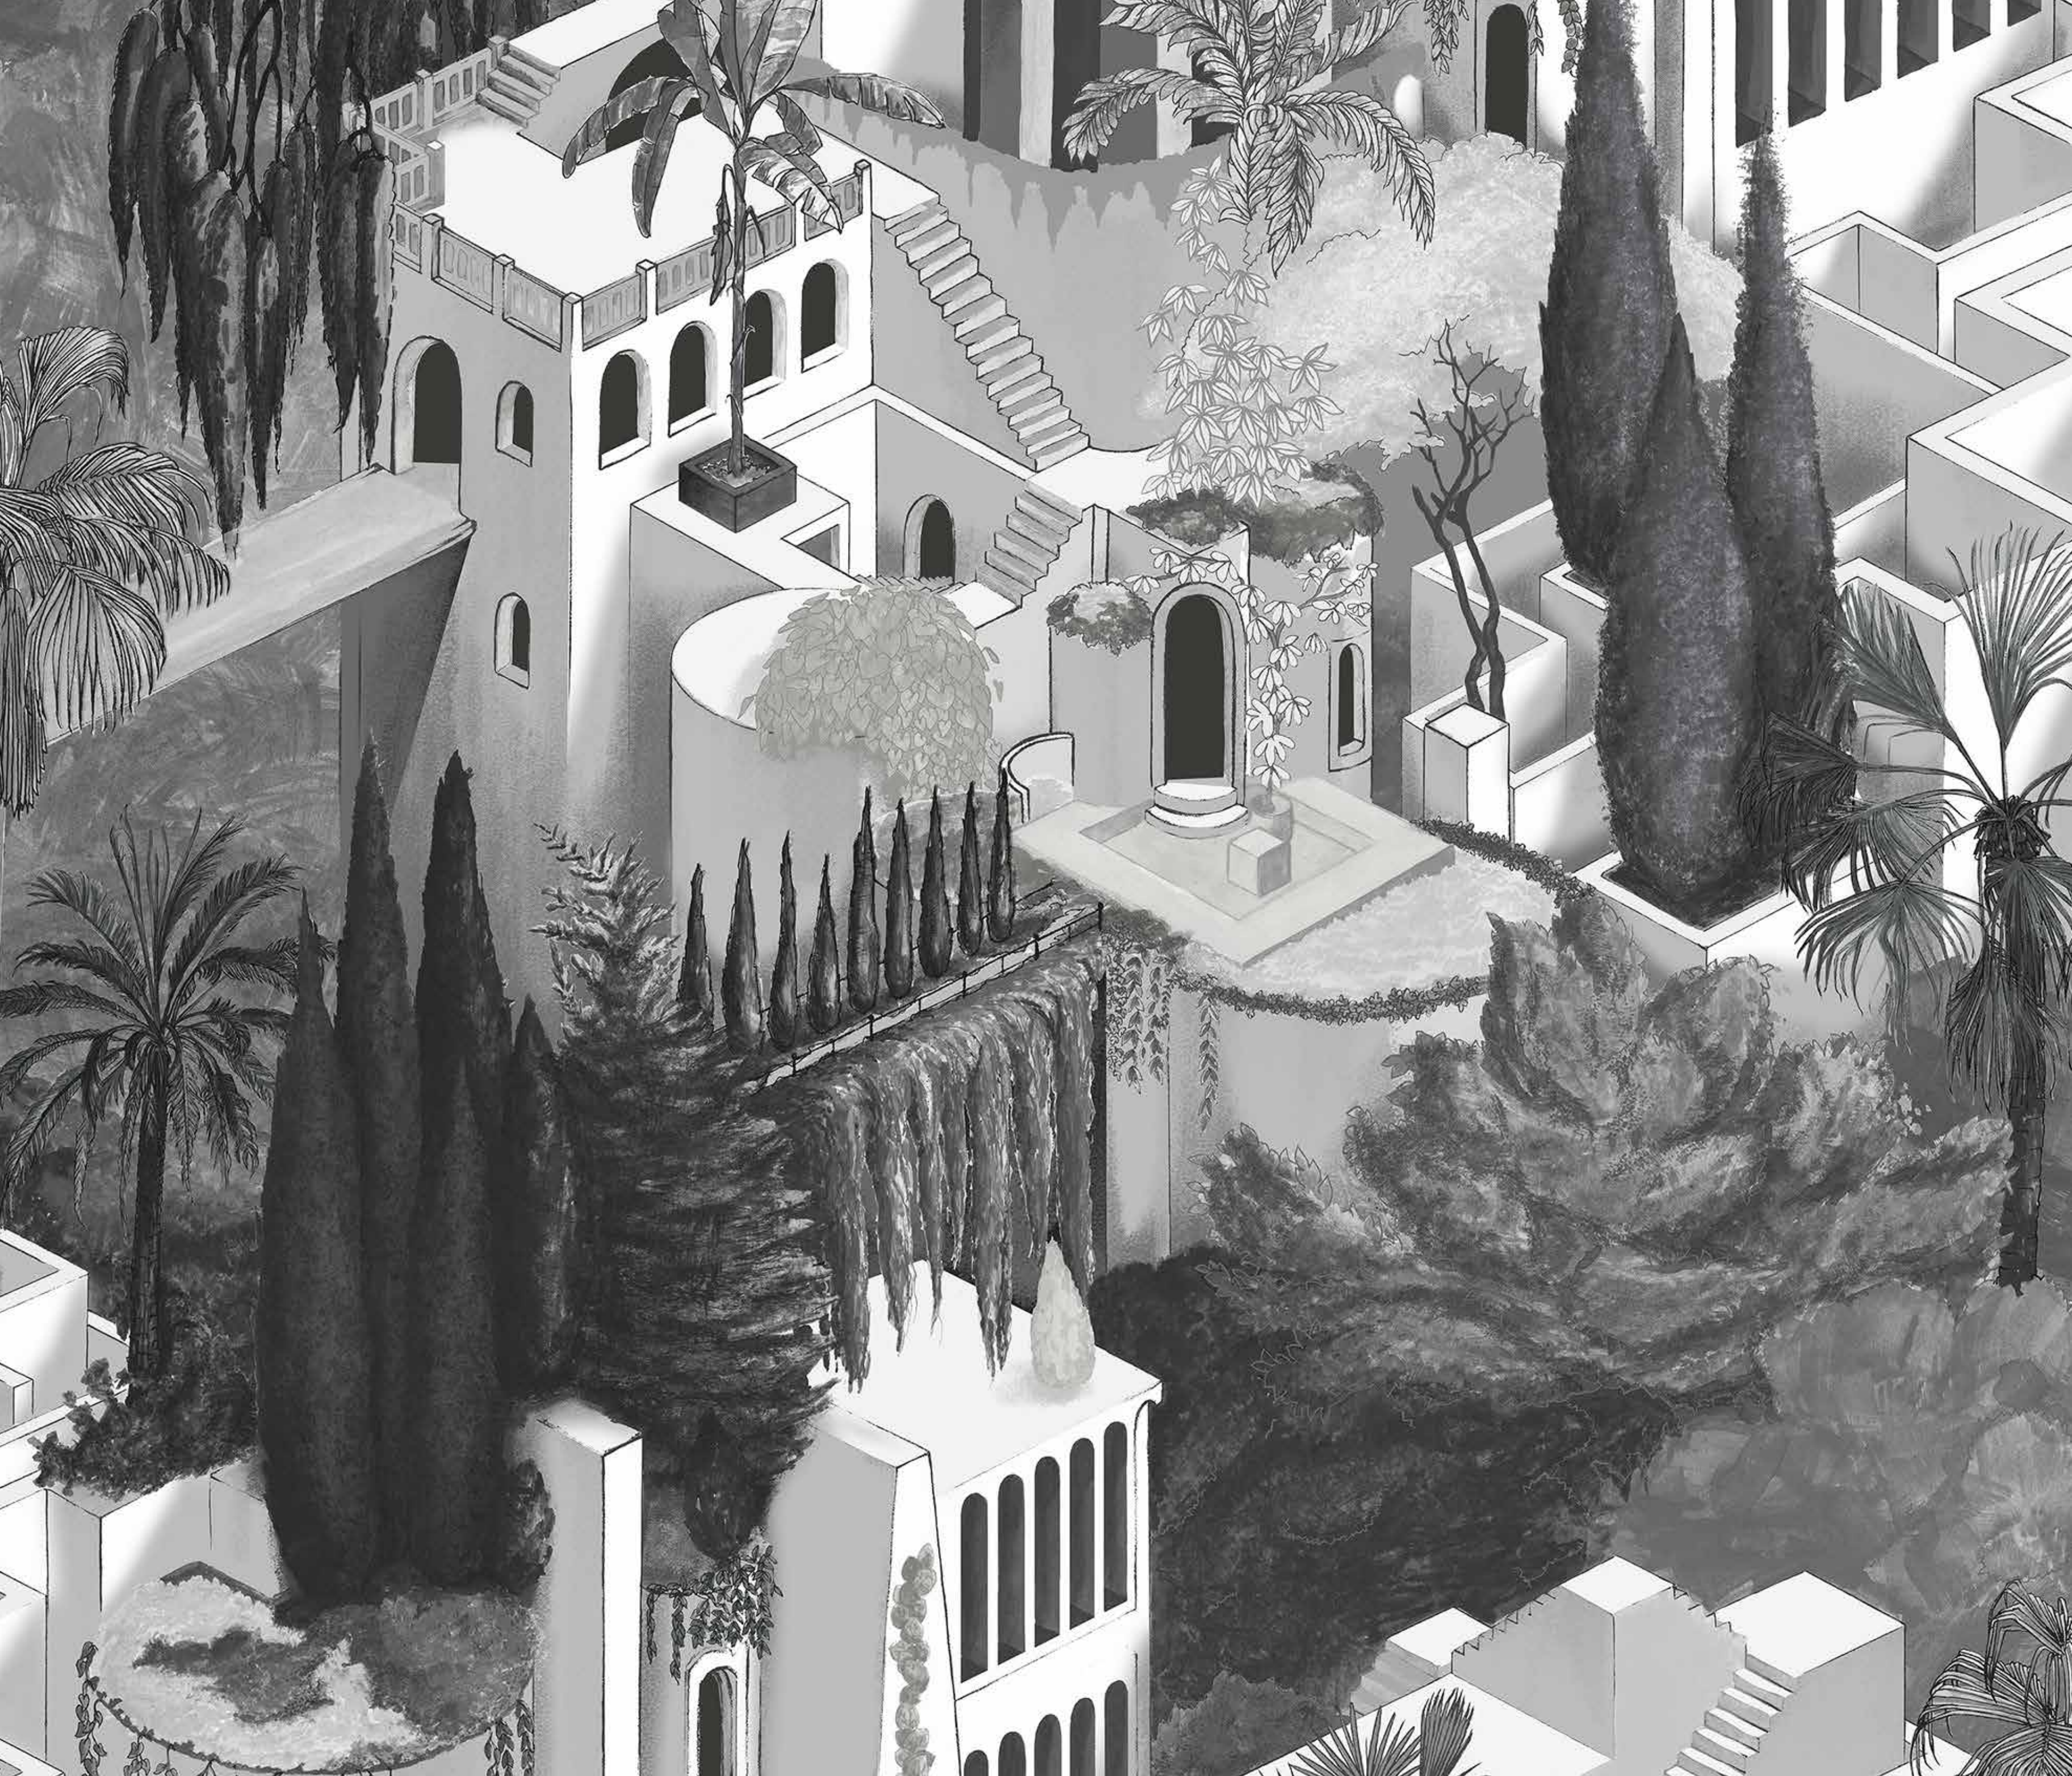

CORK, GRAPHITE

Is there anything quite as classic as a toile? The French pattern has decorated walls since the 18th century, but has never been quite as whimsical as now.

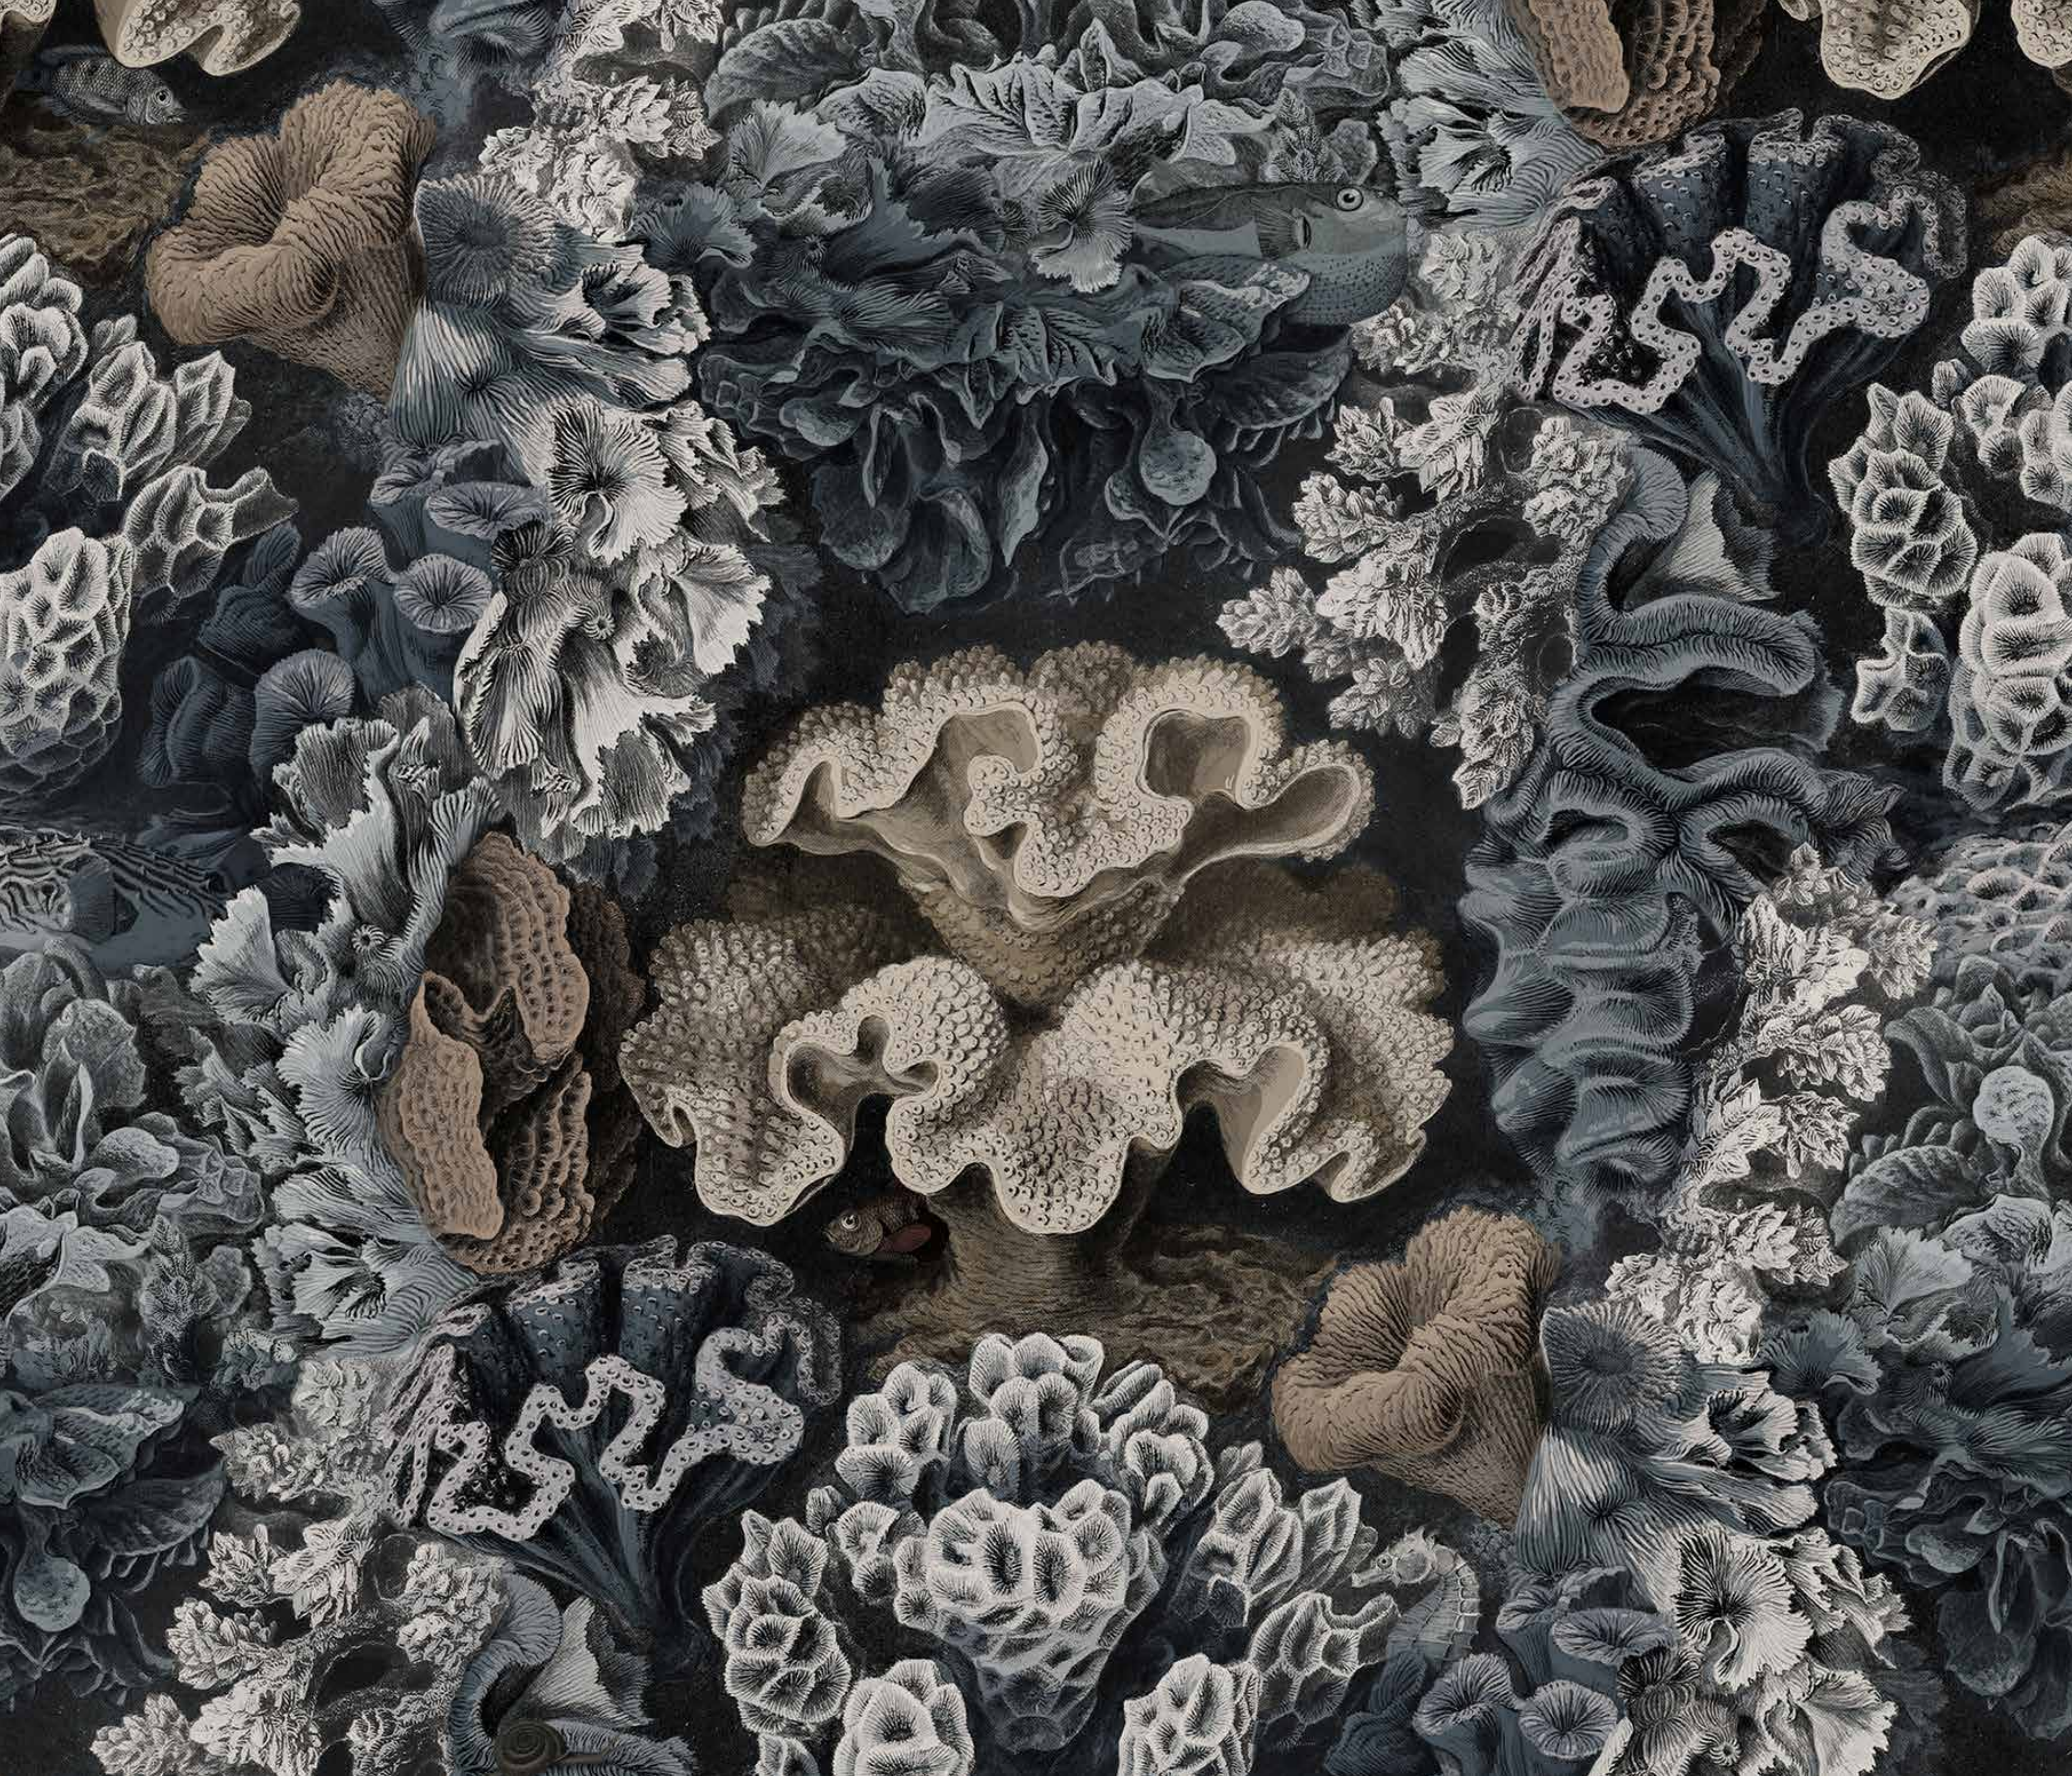

TOLEDO, GRAPHITE

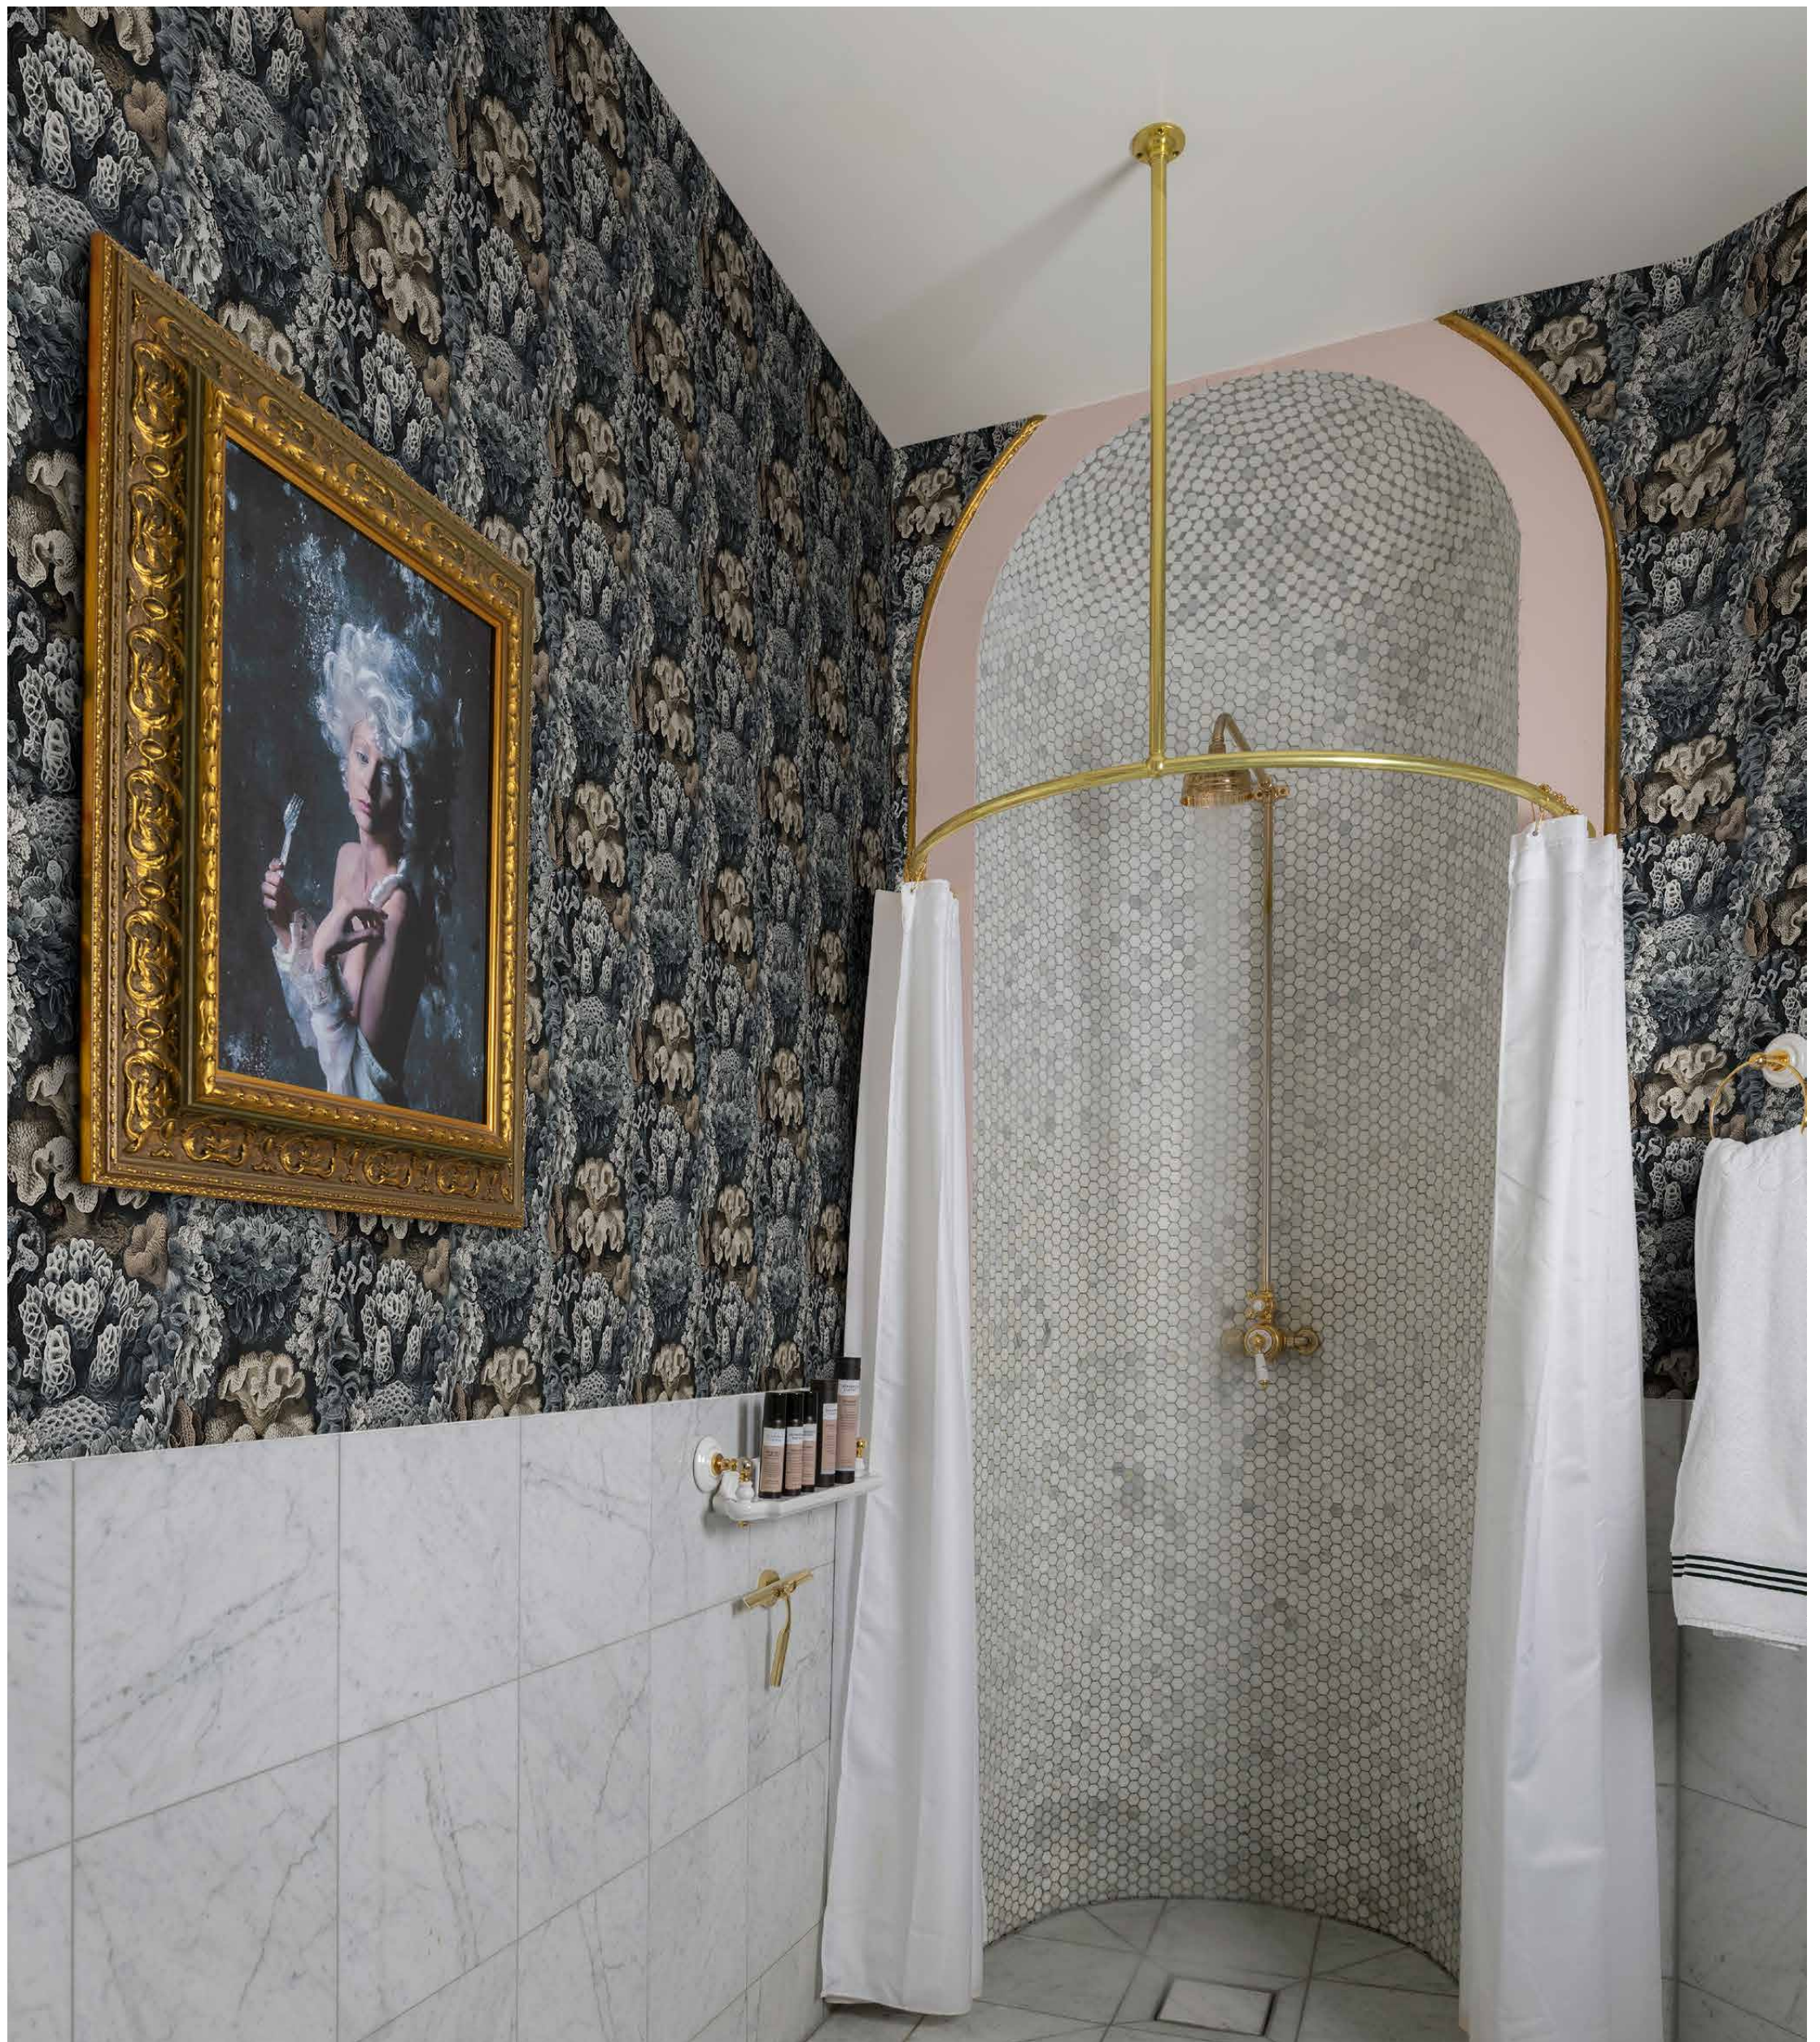

The pattern is hand-painted with plenty of details, and the three colors are picked to fit well with current decorating trends.

AQUILA, TEAL

Dive deep to the reef and explore the worlds beneath the surface. Corals, shells and marine life create intricate patterns that can look complicated, but the wallpaper is easy to hang and fit.

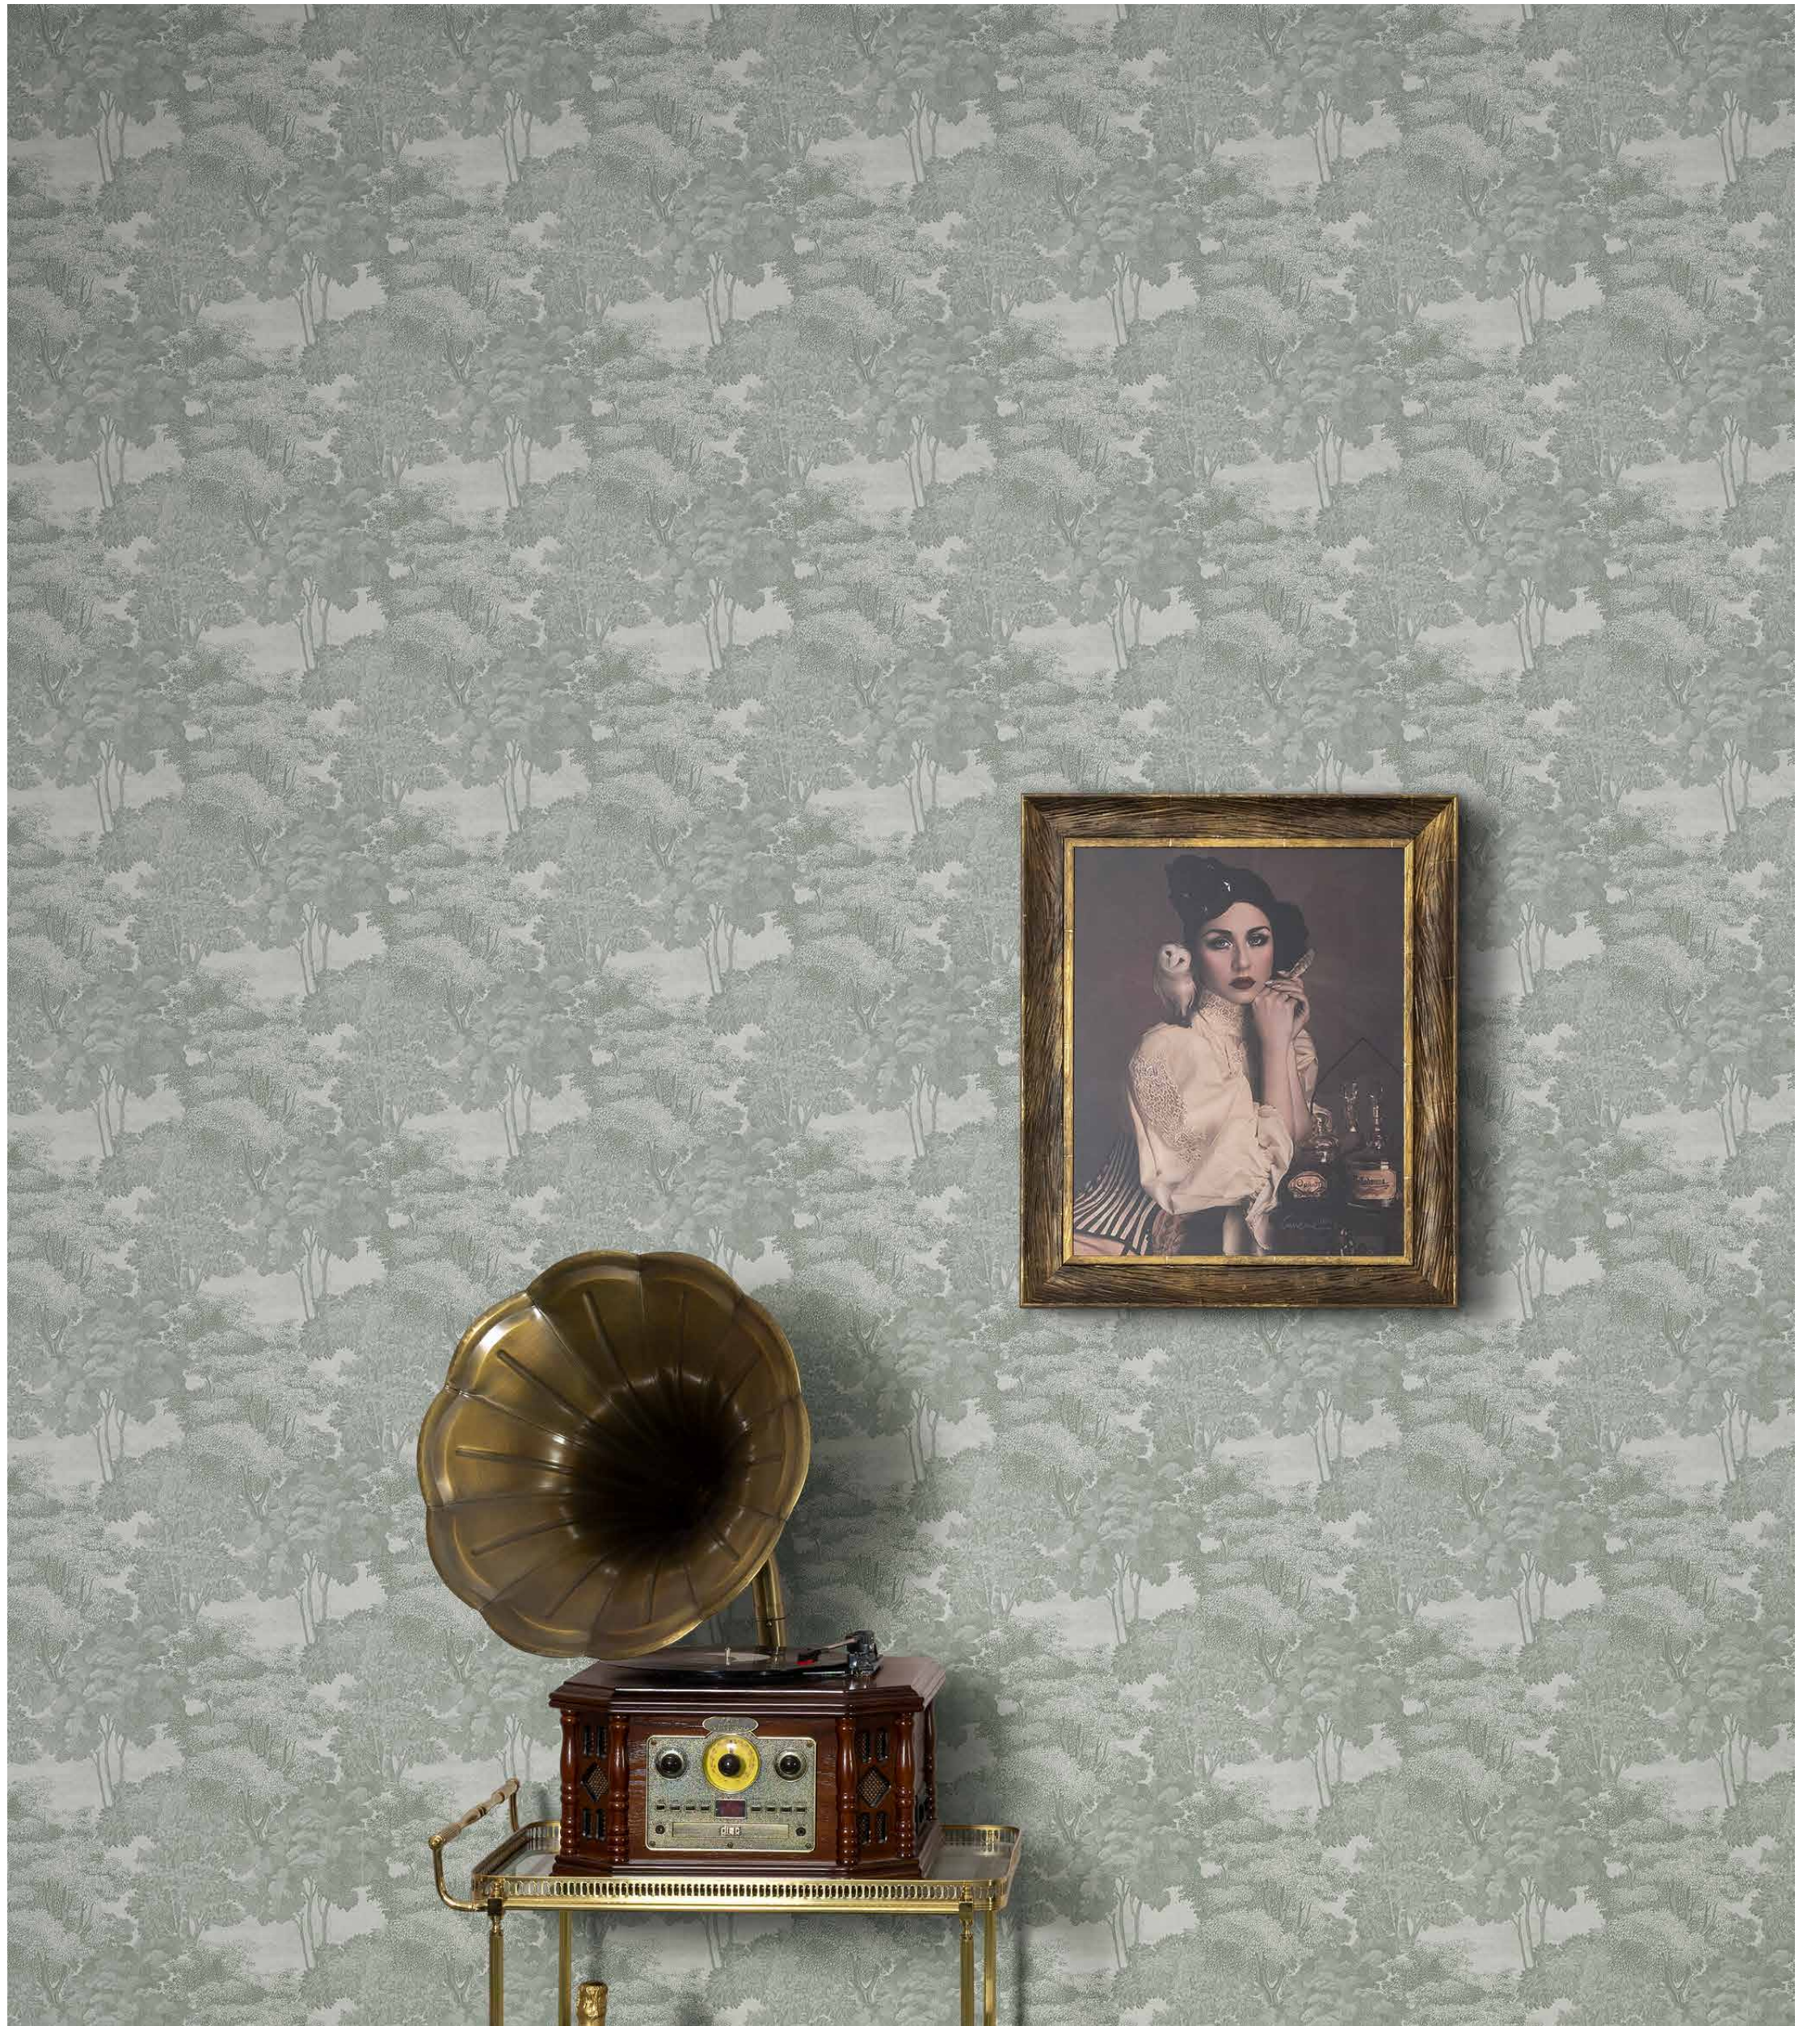

CORK, SLATE

Is there anything quite as classic as a toile? The French pattern has decorated walls since the 18th century, but has never been quite as whimsical as now.

SAINT SEBASTIAN, PISTACHIO

Extravagant tree crowns adorn this toile that comes in a linen texture and four easy-to-match colors.

SAINT SEBASTIAN, SAND

Elegant but with a contemporary edge, we believe Saint Sebastian will be a future classic.
