TREND COLLECTION

# SIMPLICITY

The current major interior trend with geometric, artistic and bold patterns in soft pastel colors has been the driving force for our Simplicity collection.

We always make sure to follow the current interior trends and we look at global trend reports to get the latest news on what is currently trending.

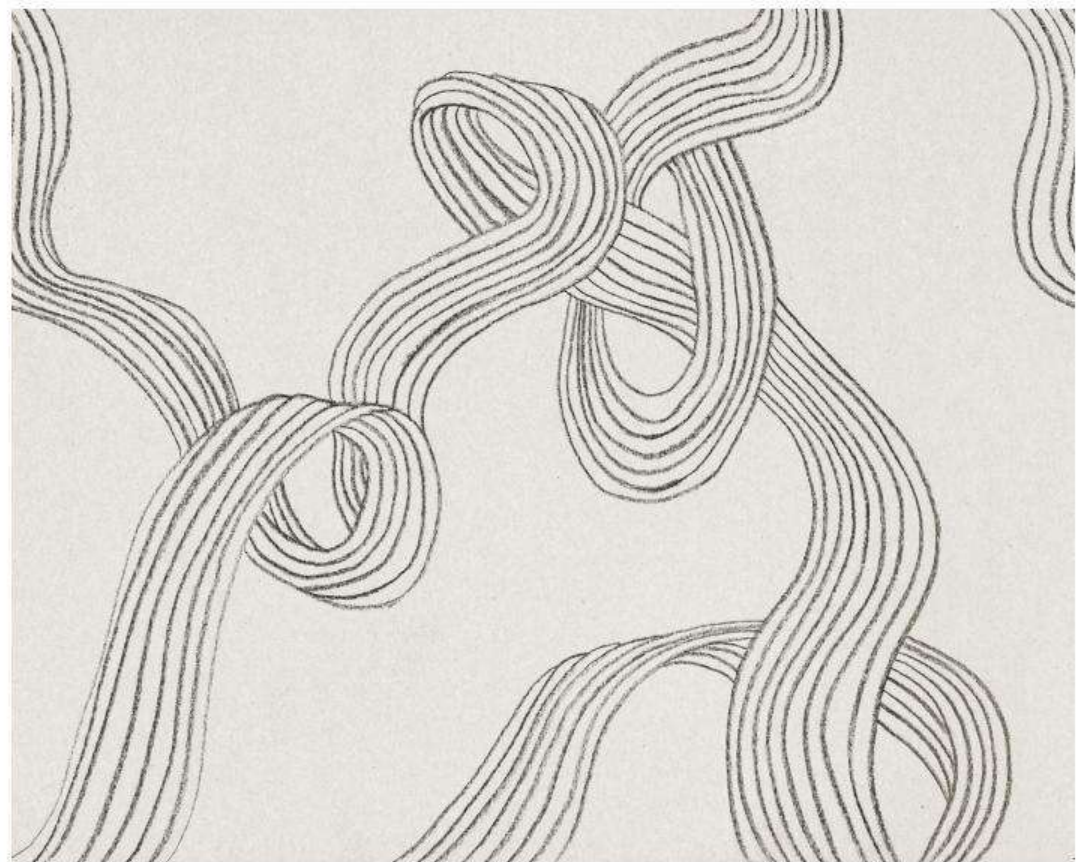

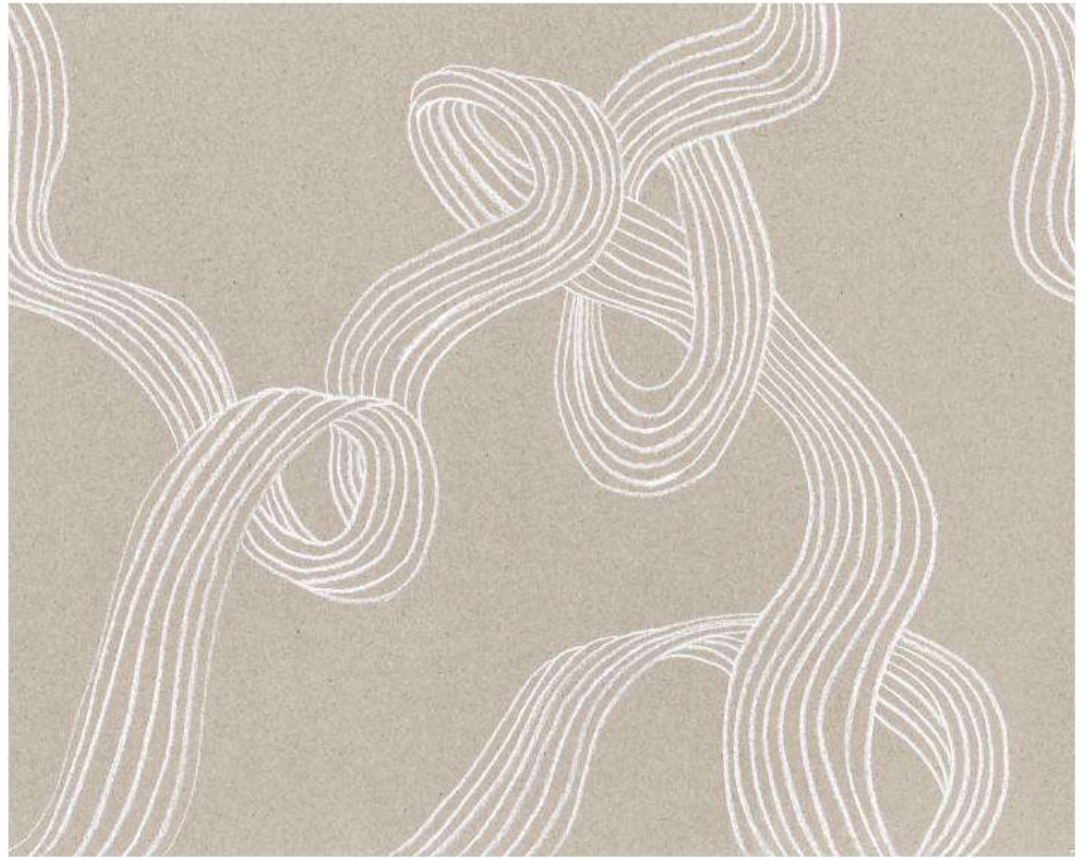

“A rebel is someone who comes up with a totally new concept - something that sends shockwaves. They are not afraid to introduce something that has never been seen before. In this case it is a wall that makes a statement! It does not hide into the background - quite literally!” Zandra Rhodes

**TERRAIN – R18371 EARTH, R18372 PASTEL**

Graceful flowing white lines and shapes in pastel tones create a playful and artistic backdrop.

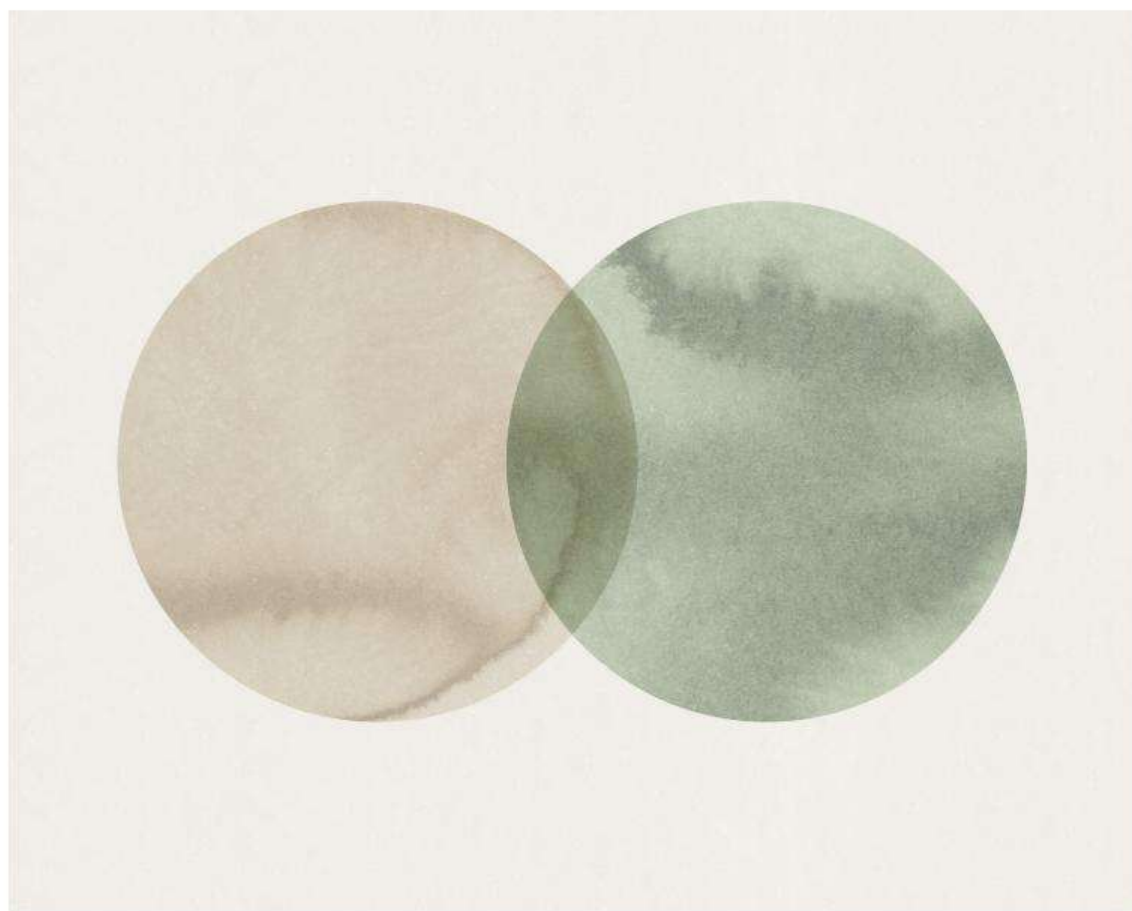

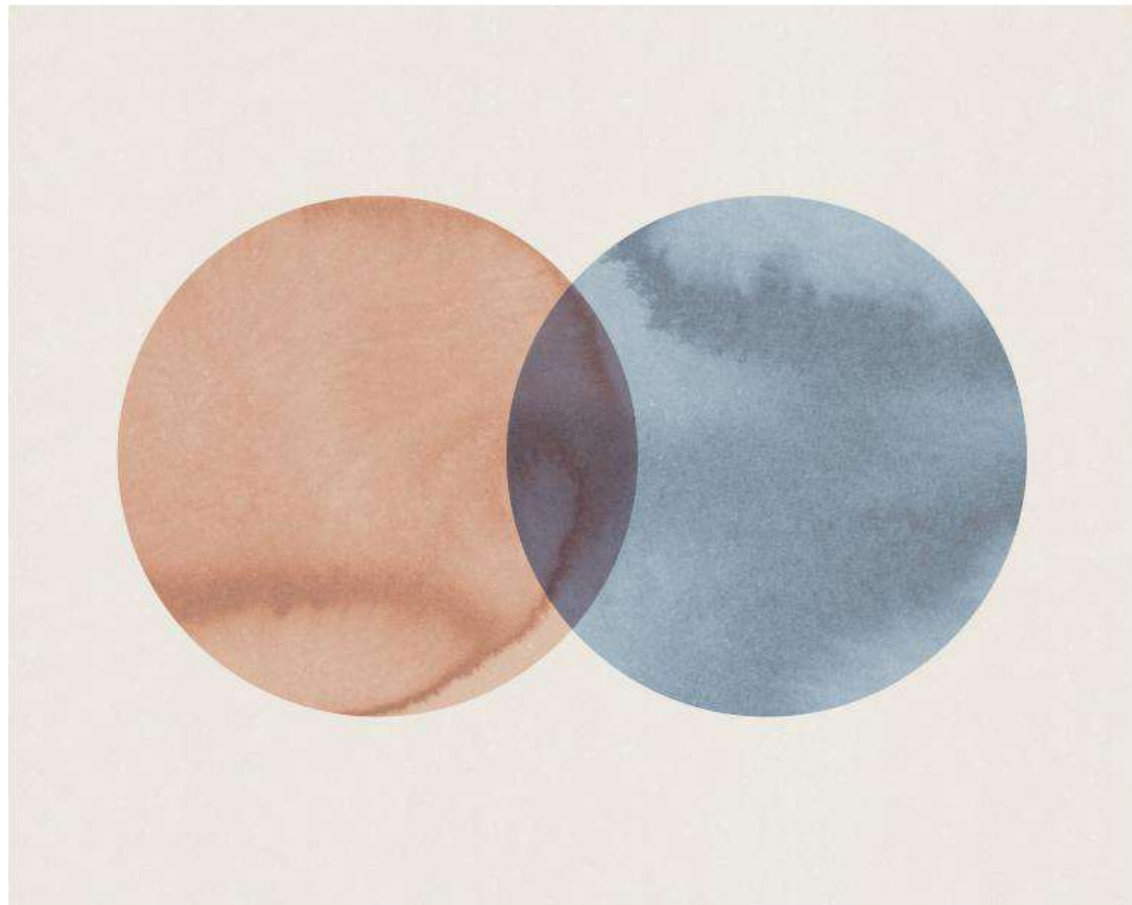

**STRIPES – R18421 SAND, R18422 GRAPHITE**

Because I am a print designer I interpreted fringing into a print. It is so perfect for Rebel Walls! Exotic zig zag fringing hangs from a jewelled braid.

**ECLIPSE – R18332 RED BLUE, R18331 BEIGE GREEN**

Eclipse is an abstract yet simplistic pattern, giving a soothing but graphical look. Eclipse is a definite eye-catcher. Two spheres meet, creating a bold yet serene background.

**BRUSH – R18321 GREIGE, R18322 LIGHT BLUE**

Bold brushstrokes create a vivid yet soothing setting for your interior design.

**ASANA** – R17021 DUSTY PINK, R17022 OCEAN BLUE, R17023 GREEN

The artist of this painting has left her mark, adding a human touch in the visible brushstrokes.

**GROW** – R18381 LILAC, R18382 AMBER

Delicate leaves trying to reach for the sun. A really nice backdrop to any room!

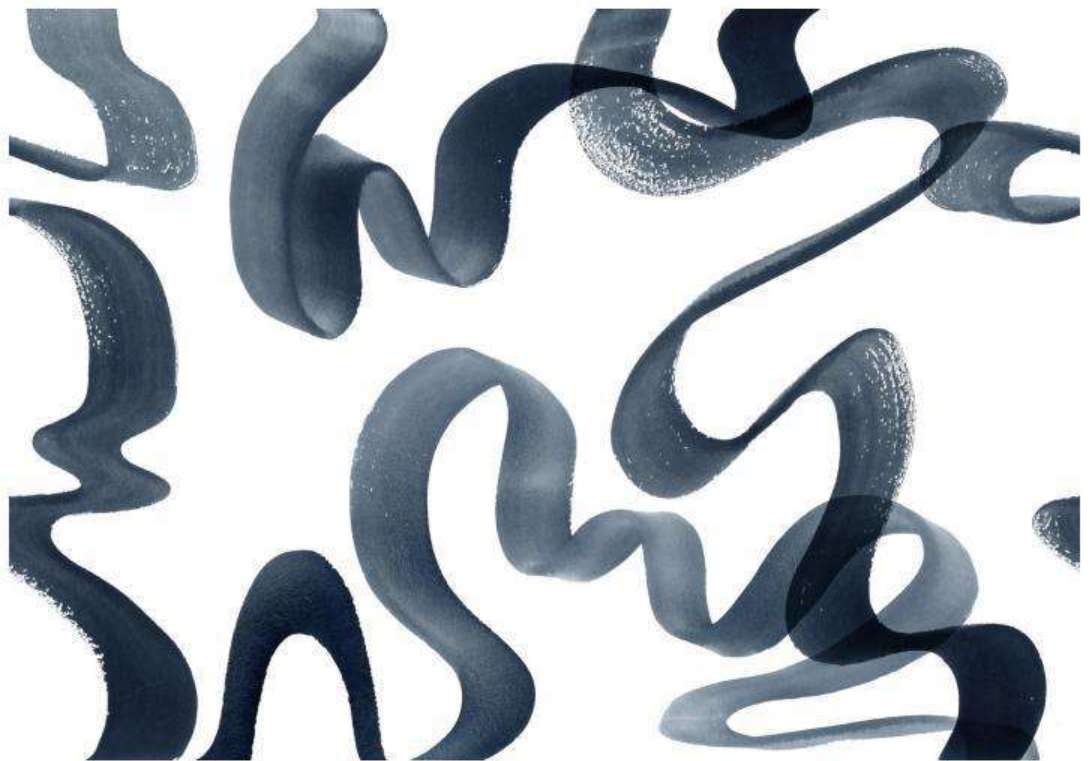

**RUBY – R18391 BLUE, R18392 AMBER**

Ruby has a really lush and organic look. The impressive size makes it hard to miss this statement piece. A definite must-have for any rebel.

**WAVES – R18351 GREEN , R18352 INK**

Show your creative side with our wall mural, Flow. A confident brushstroke in ink makes this a bold but balanced detail on a picture wall.

STROKE – R18411 INK, R18412 SAND

A brushstroke in ink, flowing confidently down the wall, making an airy, almost picture-like view.
